

MY VACATION

Summer vacations are the best time to have fun. Every year, I and my family go on the holidays. We usually go to the beaches and amusement parks to spend the day. But, last time we went to Bali Island. It was wonderful! We stayed in a hotel which is located near the beach. So, we went to the beach at first where we surfed and swam in the sea. And, we went fishing and sailing on the boat. Then, we went to my grandparent's home and had a horse race there in their meadow. We then climb up a hill which was steep. We also went to water park where we splash with joy. It was the best vacation ever I went. We had a great time and hope to go back next year.

Write for Children Andrew Melrose, 2004-01-14 Writing for children is not about writing little stories; it is about writing big stories. Shorter children's literature is an art form in its own right, and this book is for everyone who wants not just to write for children but to write well for them. This short guide to creative writing for children is based on the author's own successful MA course. Andrew Melrose provides guidance on every aspect of the process of writing for children. He stresses the importance of writing for the child and not writing to or at them. Literacy and learning depend on writing and reading, and it is therefore the responsibility of the writer to understand who they are writing for. The book is divided into four sections which cover all aspects of the writing process. This book goes far beyond the how to format to help writers learn the finely balanced craft of writing for children. It will be an indispensable handbook for aspiring and practising children's authors.
