The Ultimate Unofficial World of Warcraft Classic Strategy Guide Expanded Edition Vincent Verret, 2018-12-24 Updated with a Raiding Guide
This World of Warcraft Classic Strategy Guide is the ultimate unofficial way to master the game. With this guide, you'll save days off of your leveling time, getting you to 60 in the fastest time possible, make tons of gold, and guide your party through ANY dungeon. This guide is designed for new players and veterans alike, and you'll need it when faced with the difficulty of the original World of Warcraft. This guide covers strategies for BOTH the alliance and the horde. Why World of Warcraft Classic? Like many of you, I have fond memories of the original WoW and its Burning Crusade Expansion. I remember a time before instant gratification, achievements, and cross-realm group finders where your reputation, skill as a player, and social connections mattered. When faced with the challenges of Azeroth, we all had to make friends and work together. With the return of classic WoW, we can all have that again: friendships that last beyond the game, instead of gear that is recycled with each content patch. Classic WoW is about quality over quantity. I have nearly 200 mounts on regular WoW, yet none feel as rewarding as my original level 60 mount. With this series of Guides, you can become that legend again or become a new legend in the most important MMORPG of our time.

Gold Making Guide Klara Pawlowski, 2021-06-08
If you wanna prevail in World of Warcraft Classic, you will require a great deal of gold. Without enough gold, you will always be outclassed by players who do have enough. However, it's not easy to gather gold in WoW. Therefore, you may need this book if you wanna make more gold. This book will cover the most optimal and practical strategies for gold making while discarding the less optimal ones that are often repeated in popular guides. This book will also include resources such as a full list of level-appropriate mobs to grind while leveling, a full list of the most lucrative twink items in the level 19 and 29 brackets, a full list of the most lucrative BoE limited supply vendors to camp, a step-by-step action plan for the launch of Classic WoW, and much, much more.
