

Health and Safety – March Report

Recommendation(s)

That the board notes:

- i. The trends in the health and safety performance of the organisation and the measures being taken to improve the robustness of the data.
- ii. The actions being taken to improve the understanding of health and safety risk across the organisation.
- iii. The three significant health and safety incidents that occurred in March and the update provided on the last time incident that occurred in December.
- iv. The progress against the Health and Safety Strategy Work Programme.
- v. The draft Health and Safety Charter for its consideration.

Executive summary

This report provides a summary of health and safety across the organisation in the areas of:

- **Health and Safety Performance.** The data needed to provide a full understanding of the health and safety performance of the organisation is not currently available. Two streams of work are underway to capture the required data. A limited snapshot of Lost Time Injuries, Total Injuries, and Near Hits is provided for Staff, Capital Works Projects, and Rail Operations.
- **Health and Safety Risk Management.** The existing health and safety risk assessment does not accurately reflect the actual organisational risk. A series of workshops are planned to identify and quantify the actual risk. From this, the critical risks will be identified and a review undertaken as to the adequacy of existing mitigation measures.
- **Health and Safety Incidents.** Three significant incidents were reported in March, two involving violence against Parking Enforcement Officers. An update on the December incident that occurred on the AMETI site identified the lack of a site health and safety induction and non-complying fencing as key factors in the incident.
- **Health and Safety Strategy Work Programme.** There are eight streams of work under the Health and Safety Strategy. Generally, there has been good progress on the Work Programme.
- **Health and Safety Matter Arising from the last Board meeting.** A draft Board Health and Safety Charter is provided for comment. The draft Charter is based on local and international examples.
