January 1, 2016

Wow! New Year's Day! It's hard to believe that 2016 is here already. New Year's has to be my favorite time of year. I really love this holiday. It's a time of new beginnings. A time to begin those goals you've been putting off. It's a time to make new commitments and be productive. Many people make New Year's resolutions this time of year. I wonder how many people actually keep them? They say that you have to do it consistently for over three weeks if you want to make it a habit. Last year I bought a gym membership and wanted to go to the gym every day. It didn't last that long and I think I cancelled out of my membership in early February. Looking back I should have had a workout buddy to help motivate me. This year I am not making the same resolution though. This year I am going to write in my journal every day. Today I start this goal and I want to complete it. So here goes. First journal done.
