The Handbook to IFRS Transition and to IFRS U.S. GAAP Dual Reporting Francesco Bellandi, 2012-05-03. An indispensable guide to making the transition to dual IFRS GAAP financial reporting. U.S. financial reporting will undergo an unprecedented level of change within the next several years. U.S. companies face a convergence between U.S. GAAP and IFRS affecting several major accounting standards, most notably in the areas of leasing, revenue recognition, and financial instruments. It is imperative that U.S. companies understand these major changes and their business and operational implications. The IFRS U.S. GAAP Dual Reporting Handbook to First Time Adoption offers a comprehensive treatment of both the principles and techniques of dual reporting under IFRS U.S. GAAP while exploring the practical implications for accounting professionals of reporting under both sets of standards. Takes an operating approach to the implementation and application of the dual standards. Draws upon the author's extensive firsthand experience to dispel uncertainty and offer decision makers expert technical assistance. Defines systemic changes businesses will need to make to accommodate IFRS standards. Compares the two bodies of standards item by item and identifies solutions under one set of standards to issues arising under the other. Explores the strategic impact of

structuring a company for IFRS transition In addition to covering the full range of critical issues surrounding adopting IFRS this indispensable handbook is a rich resource of dual reporting tools including financial statement formats charts of accounts accounting check lists reconciliation schedules and operating manuals
