

What are the steps to the writing process?

- Rewriting and using all of the advice that you got from your peer edits will help you with the Revised draft. After all it would be a huge waste of time if you didn't go back and fix your mistakes.
- Finally after you think you have caught all of your mistakes create your final draft. Final drafts should be typed in a 12 pt font or handwritten in blue or black ink. If you type then you can save yourself a lot of time.

Problem	Put the problem you'll be analyzing here
Solution	Put your thesis (main solution) here
	Bullet your points that support your solution here (these will become your supporting paragraphs)
Refutation and or conclusion paragraph	Address arguments that oppose your solution as well as other solutions. Be sure to explain the importance of the information
