Do You Hear What I Hear? Anthony Monzo, 2023-03-07 God speaks to us in many different ways The Bible of course is His primary source but if you focus on what you are seeing and hearing in the world around you you can find spiritual messages in so many different sources as God uses us as vessels to convey His message of salvation to the world This includes through the visions of creation the fragrances of nature the sounds of the singing birds the thunder of the clouds the roars of the oceans the amazing sunsets the glorious sunrises and even in the quiet and dark star filled nights As Paul wrote in Romans 1 20 NIV For since the creation of the world God's invisible qualities his eternal power and divine nature have been clearly seen being understood from what has been made so that people are without excuse He also speaks to us through music and film in ways that we don't realize unless we are really paying attention This book presents a taste of how popular music and movies and even art as displayed on the cover can convey a message of hope and love to all those who have ears to hear and eyes to see what God is trying to tell them Some of the interpretations are based on what I perceive these songs or movies to be about which may not necessarily be what the writer intended Yet if you open up your heart you can find a message of love and hope in so many songs and movies and this message is what the gospel is all about Jesus gave a new commandment when he said in John 13 34 NLT Love each other Just as I have loved you you should love each other And the hope that we have is the confident anticipation of spending eternity with the Lord in His eternal kingdom and not just wishful thinking which is nothing but a worldly hope

The Civil Rights Movement Rebecca Thatcher Murcia, 2020-02-04 At the time that Rosa Parks decided not to get out of her bus seat in 1955 African Americans across the United States were treated like second class citizens Sometimes they were not even considered citizens They were not allowed to use white only

restaurants or hotels They were kept out of public schools parks and swimming pools And perhaps most importantly they were not allowed to vote Over the course of the next decade African Americans and their white supporters organized a movement that changed American society profoundly They marched They sat in They lobbied for new laws They fought in the courts It took incredible courage While the activists tried to be nonviolent their efforts were often met with beatings and even murder But in just a few years time the United States was a different country The Jim Crow system that prevented African Americans from being full citizens of their own country was gone It is a remarkable story full of heroes known and unknown
