Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Readicide Kelly Gallagher, 2009 Reading is dying in our schools. Educators are familiar with many of the factors that have contributed to the decline: poverty, second language issues, and the ever-expanding choices of electronic entertainment. In this provocative new book, Kelly Gallagher suggests, however, that it is time to recognize a new and significant contributor to the death of reading in our schools.

Apps for Learning Harry J. Dickens, Andrew Churches, 2011-10-20 Provides detailed descriptions of forty apps that can be used in high school classrooms.

Reading Reconsidered Doug Lemov, Colleen Driggs, Erica Woolway, 2016-02-29 **TEACH YOUR STUDENTS TO READ WITH PRECISION AND INSIGHT** The world we are preparing our students to succeed in is one bound together by words and phrases. Our students learn their literature, history, math, science, or art via a firm foundation of strong reading skills. When we teach students to read with precision, rigor, and insight, we are truly handing over the key to the kingdom. Of all the subjects we teach, reading is first among equals. Grounded in advice from effective classrooms nationwide, enhanced with more than 40

video clips Reading Reconsidered takes you into the trenches with actionable guidance from real life educators and instructional champions The authors address the anxiety inducing world of Common Core State Standards distilling from those standards four key ideas that help hone teaching practices both generally and in preparation for assessments This Core of the Core comprises the first half of the book and instructs educators on how to teach students to read harder texts closely read texts rigorously and intentionally read nonfiction more effectively and write more effectively in direct response to texts The second half of Reading Reconsidered reinforces these principles coupling them with the fundamentals of reading instruction a host of techniques and subject specific tools to reconsider how teachers approach such essential topics as vocabulary interactive reading and student autonomy Reading Reconsidered breaks an overly broad issue into clear easy to implement approaches Filled with practical tools including 44 video clips of exemplar teachers demonstrating the techniques and principles in their classrooms note for online access of this content please visit my teachlikeachampion com
