Curses Diamonds Toads like the other titles in the Enchantment Retold series features cozy fantasy sweet romance and an HEA without explicit content Cottagecore meets sweet romantasy Curses Diamonds Toads is a short complete stand alone story that can be enjoyed in a single sitting **Toads and Diamonds and Other Tales** M. Bramston,1884 [Diamonds and Toads](#) K. E. Saxon,2012-02-16 Delilah Perrault is blessed with riches beyond her wildest dreams and the man she's had her eye on for ages except he secretly has designs on her newfound wealth instead Delilah's half sister Isadora is cursed with having her every utterance come out as an obscene and humiliating quip just when the gorgeous hunk she dumped years before under pressure from mama swaggers back into her life [Index to Fairy Tales, Myths, and Legends](#) Mary Huse Eastman,1926 **Fairy Tales of Appalachia** Stacy Sivinski,2025-09-02 While taking a graduate course in Appalachian literature at the University of Tennessee Stacy Sivinski was surprised to discover that much of the folklore she had heard while growing up in Schuyler Virginia was rarely represented in popular published collections In particular they lacked the strong female heroines she had come to know and most anthologies were full of Jack Tales stories that focus on the adventures of the character from Jack and the Beanstalk Feminist critics have long discussed the gender inequalities and stereotypes that fairy tales often promote With Fairy Tales of Appalachia Sivinski asks whether such conclusions are inevitable and invites a fresh analysis of these regional tales with a contemporary sense of wonder These tales carefully and thoughtfully transcribed by Sivinski have been passed down through Appalachia's oral histories over decades and even centuries This wonderful selection was mainly drawn from the Archives of Appalachia at East Tennessee State University and special collections at Berea College Drawing on the work of other regional archivists and folklorists Sivinski grapples with issues of gender balance in Appalachian storytelling The problem Sivinski posits does not rest with the fairy tale genre itself but in the canonization process in which women's contributions have been diminished as oral traditions become transcribed Appalachian women have historically demonstrated resilience wit and adaptability and it is time that more collections of regional folklore reorient themselves to make this fact more apparent Stories are living breathing narratives meant not just to be read but to be read aloud This timely selection of unique stories along with beautiful evocative illustrations makes Fairy Tales of Appalachia an intriguing addition to the much contested fairy tale canon **A Curse of Gems** Brittany Fichter,2019-06-29 Can she risk trusting a man if it means saving her sister And what will she do when that reluctant trust

begins changing into something more Jaelle knows better than to trust men Every girl in Terrefantome knows that But when her plan to escape her oppressive kingdom with her sister goes awry she finds herself with an unwanted gift and her sister in peril To make matters worse she is thrust into the company of a foreign prince on a strange mission With no one else to turn to Jaelle must choose between trusting and aiding him in his quest and receiving his help in return or saving her sister on her own Prince Lucas of Maricanta is on the most important mission of his life if he fails his kingdom will be overrun criminals of the most violent kind When his meddling mother follows him into enemy territory however dragging along some poor girl that she insists is his future wife he must alter plans to finish his mission and protect them all Jaelle and Lucas know his mother's plan to betroth them is far fetched They also know however that in Terrefantome it will be safer to play along with the sham engagement But with enemies closing in on every side and their own affections getting muddled along the way Lucas and Jaelle must choose between the futures they've sacrificed for and the love of which they've always dreamed A Curse of Gems is the seventh book in The Classical Kingdoms Collection but it can also be enjoyed as a stand alone Read this fairy tale retelling now to experience danger intrigue and passionate clean romance as only fairy tales can give Brothers & Beasts Kate Bernheimer, 2007 Breaks new ground in fairy tale studies by offering male writers a chance to reflect on their relationships to fairy tales **Diamonds and Toads, Or Humility Rewarded, and Pride Punished.
