Todays Weather Report For Our Area:

Letters from Camp Wilderness Ellen Swanson-Szudajski, 2002-10-16 In a world no longer simple with clear enemies and ready strategies to protect oneself the aging warriors from the Vietnam era are forced to once again fight for their lives This time it s not against a peasant force in the steamy jungles of Vietnam defending their homeland This time they find themselves under attack in the forests of their own homeland by a fanatical force of Jihadists dedicated to the destruction of America itself In addition o being vastly outnumbered and aging the Americans have a unique disadvantage they are all amputees The only advantage that the Americans have is now it s their homeland that they are defending To the end it s not clear whether or not that and the few friendlies that are able to be recruited to the cause will be enough to prevail over their adversaries The Vietnam Vets Amputee Group is both inspirational and an ode to those brave soldiers that fought not so long ago They finally might be accorded the respect that they deserve perhaps posthumously from a changed and grateful nation
