War and Peace (English Edition) Leo Tolstoy,2020-05-28

War and Peace is a novel by the Russian author Leo Tolstoy published serially then in its entirety in 1869 It is regarded as one of Tolstoy s finest literary achievements and remains a classic of world literature The novel chronicles the French invasion of Russia and the impact of the Napoleonic era on Tsarist society through the stories of five Russian aristocratic families Portions of an earlier version titled The Year 1805 were serialized in The Russian Messenger from 1865 to 1867 then published in its entirety in 1869 Tolstoy said War and Peace is not a novel even less is it a poem and still less a historical chronicle Large sections especially the later chapters are philosophical discussion rather than narrative Tolstoy also said that the best Russian literature does not conform to standards and hence hesitated to call War and Peace a novel Instead he regarded Anna Karenina as his first true novel

Tolstoy's Major Fiction Edward Wasiolek,1978 Edward Wasiolek after much valuable work on Dostoevsky has now written one of the best books on Tolstoy in recent decades This may be in part because of his preoccupation with Tolstoy s most challenging contemporary and the resulting sense of their unlikeness in a common pursuit But there are other unspeculative reasons Few studies of Tolstoy have been so carefully pondered and so firmly organized to convince and not so many show the flexibility and variety of its approach Wasiolek proposes an essentially simple and consistent reading but he advances it with subtlety and discretion Henry Gifford Times Literary Supplement

Tolstoy's False Disciple Alexandra Popoff,2014-11-15

On the snowy morning of February 8 1897 the Petersburg secret police were following Tolstoy s every move and he was always in the company of a man named Certkov At sixty nine Russia s most celebrated writer was being treated like a major criminal and had abandoned his literary pursuits and become a spiritual mystic angering the Orthodox church and earning both the admination and ire of his countrymen Tolstoy was recognizable enough with his peasant garb and beard but who was the man who towered over Tolstoy twenty years younger with a cold impenetrable look on his face This man Chertkov was a relative to the Tsars and nephew to the chief of the secret police and represented the very things Tolstoy had renounced class privilege unlimited power and wealth and yet Chertkov fascinated and attracted Tolstoy He would become the writer s closest confidant reading even his diary and at the end of Tolstoy s life Chertkov had him in his complete control preventing him from even seeing his own wife on his deathbed

Tolstoy's War and Peace Predrag Cicovacki,2024 This book consists of eight essays written by world renowned Tolstoy specialists the essays provide an in depth consideration of the central topics of Tolstoy s masterpiece Tolstoy s War and Peace explores the concepts of war and peace historical truths freedom friendship love living and dying Underlying all of these discussions is the examination of Tolstoy s preoccupation with the pursuits of truth goodness and beauty in a world replete with deceptions destructions and artificiality As a body of

work these essays together suggest that Tolstoy's novel leaves room for the possibility of objective values and judgments as well as for the possibility of discerning some fundamental truths regarding the value and meaning of human life

Tolstoy's Quest for God Daniel Rancour-Laferriere, 2017-07-28 The religious dimension of Tolstoy's life is usually associated with his later years following his renunciation of art In this volume Daniel Rancour Laferriere demonstrates instead that Tolstoy was preoccupied with a quest for God throughout all of his adult life Although renowned as the author of *War and Peace* *Anna Karenina* *The Death of Ivan Ilych* and other literary works and for his activism on behalf of the poor and the downtrodden of Russia Tolstoy himself was concerned primarily with achieving personal union with God Tolstoy suffered from periodic bouts of depression which brought his creative life to a standstill and which intensified his need to find comfort in the embrace of a personal God At times he was in such psychic pain he wanted to die Yet Tolstoy felt that he deserved to suffer and he learned to welcome suffering in masochistic fashion Rancour Laferriere locates the psychological underpinnings of Tolstoy's suffering in a bipolar illness that led him actively to seek suffering and self humiliation in the Russian tradition of holy foolishness With voluntary suffering and Jesus Christ as his model Tolstoy advocated nonresistance to evil and in his daily life he strove never to return evil actions or words with physical or verbal resistance On the other hand being bipolar Tolstoy in some situations would drift in a manic direction indulging in delusions of grandeur Indeed the aging Tolstoy occasionally went so far as to equate himself with God as can be seen from his diaries and personal correspondence The pantheistic world view which Tolstoy achieved at the end of his life

meant that God was within himself and within all people and all things in the entire universe By this time Tolstoy was also utilizing images of a mother to represent his God With this essentially maternal God so conveniently available there was nowhere Tolstoy could be without Her For in the end Tolstoy's quest for God was a The Outlook, 1906 *The Correspondence of H.G.
