Perfect Love Too Good To Be True? Dan Robins, 2012-04-29 It says in John 3:16 For God so loved the world that He gave His only Son In 1 John 4:8 that God is love And in 1 John 4:18 There is no fear in love but perfect love drives out fear You probably know those verses but do you believe them Do you really believe that God loves you with perfect love Despite what you may have been told God is not angry with

you He is not disappointed He is smiling over you Whatever you've done wherever you've been whatever you will do God has a single relentless feeling towards you perfect love This book is an ever helpful reminder that God is head over heels in love with you It will pull back the curtains and help you realise how loved you are so that your joy may be made full complete and overflowing It will help you do much more than develop a healthy theology It will help you experience Father God's affectionate embrace feel His unconditional acceptance and hear His tender words of love in deeper ways than you have ever known

Tudor Rule and Revolution Delloyd J. Guth, John W. McKenna, 2008-11-27 The work of G R Elton has inspired its own Tudor Revolution in the historiography of Tudor and Stuart government and society In this volume a distinguished gathering of eighteen historians all now resident in North America pay tribute to Professor Elton's broad influence in shaping modern interpretations of the sixteenth and seventeenth century constitution Each contributor to this volume has addressed directly or indirectly some aspect of that tempestuous age which has been dubbed Elton's era and each of the sections relates directly to particular problems or topics which have figured prominently in Professor Elton's own work Most extend his findings in new directions and with new evidence from archival researches Others take issue with some of his tentative conclusions though admitting the extent to which his work has made such advances possible

throughout his works the dates of his birth and death are alike unrecorded but the frequent notices of contemporary events to be found in his poems enable us to fix with tolerable certainty the period of his literary activity and to judge approximately the outline of his life Wolfram's greatest work the Parzival was apparently written within the early years of the thirteenth century he makes constant allusions to events happening and to works produced within the first decade of that period and as his latest work the Willehalm left unfinished mentions as recent the death of the Landgrave Herman of Thuringia which occurred in 1216 the probability seems to be that the Parzival was written within the first fifteen years of the thirteenth century Inasmuch too as this work bears no traces of immaturity in thought or style it is probable that the date of the poet's birth cannot be placed much later than 1170 The name Wolfram von Eschenbach points to Eschenbach in Bavaria as in all probability the place of his birth as it certainly was of his burial So late as the end of the seventeenth century his tomb with inscription was to be seen in the Frauen kirche of Ober Eschenbach and the fact that within a short distance of the town are to be found localities mentioned in his poems such as Wildberg Abenberg Truhending Wertheim etc seems to show that there too the life of the poet knight was spent By birth as Wolfram himself tells us he belonged to the knightly order Zum Schildesamt bin Ich geboren though whether his family was noble or not is a disputed point in any case Wolfram was a poor man as the humorous allusions which he makes to his poverty abundantly testify Yet he does not seem to have led the life of a wandering singer as did his famous contemporary Walther von der Vogelweide if Wolfram journeyed as he probably did it was rather in search of knightly adventures he tells us Durchstreifen muss Der Lande viel Wer Schildesamt verwalten will and though fully conscious of his gift of song yet he systematically exalts his office of knight above that of poet The period when Wolfram lived and sang we cannot say wrote for by his own confession he could neither read nor write I ne kan decheinen buochstap he says in Parzival and in Willehalm Waz an den buochen steht geschrieben Des bin Ich kunstelos geblieben and his poems must therefore have been orally dictated was one peculiarly fitted to develop his special genius To be continue in this ebook
