

JERRY GINSBERG

ENGINEERING DYNAMICS

The background of the cover features a technical illustration of various mechanical systems. At the top, there is a diagram of a multi-link mechanism with joints and a curved path. Below this, a large, detailed drawing of a mechanical component, possibly a flywheel or a part of a machine, is shown. At the bottom, there are more diagrams of mechanical systems, including what looks like a spring-mass system and a rotating component. The entire illustration is rendered in a light blue and white color scheme, blending with the background.
