To You So You Know That Dreams Happen:

Dirty Enlightenment Peter Brown,2013-06-26 Dirty Enlightenment is a stripped down radical presentation of the Nature of Reality and your spiritual place in it In actuality you are a miraculously present infinite field of transcendental being presenting itself to itself as subtle radiant energy of pure intelligence This truth is consonant with the view of Dzogchen Kashmir Shaivism Kundalini Yoga primal Buddhism and with all radical spiritual traditions Since this is already and eternally the sole condition the spiritual challenge is merely to recognize that this is the case With the simple recognition of the nature of your actual condition you are freed from the confused implications of any misinterpretations of what your condition is that you may have been laboring under The apparent imperfection that you may believe your life to be is in fact already and inherently an entirely transcendental miraculous eternal perfection and it can be easy to discover this fact with self verifying certainty Somewhere to Dream Genevieve Graham,2013-11-05 From Genevieve Graham author of Sound of the Heart
