Toastmasters Communication Manual:

Raising a Toast Primit Pratim Ghosh, 2021-02-05 Raising a Toast is a compilation of 20 speeches that I had the good fortune of delivering in my journey as a Toastmaster. Most of these speeches have sprung from my personal anecdotes, some funny, some thought provoking. Few speeches will tell you stories of past and present of people and places through my eyes. And then there are a couple of speeches that raise some questions for you and me to reflect upon. But one common link that binds them all is the stage of Toastmasters where they found life. Each of these speeches gave me an opportunity to pen down some burning message inside of me to share my story to any audience which was willing to listen to connect with those who took back something from what I had to say. Raising a Toast is a humble attempt to carry these anecdotes, these stories, these questions from the conventional stage to the paperback stage. Written with the sole agenda of reaching out to more souls out there who are willing to listen. And with the hope that when they read this they get inspired to share their set of stories with the world.

God of the Rodeo Daniel Bergner, 2011-02-09 Never before had Daniel Bergner seen a spectacle as bizarre as the one he had come to watch that Sunday in October Murderers rapists and armed robbers were competing in the annual rodeo at Angola the grim maximum security penitentiary in Louisiana The convicts sentenced to life without parole were thrown trampled and gored by bucking bulls and broncos before thousands of cheering spectators But

amid the brutality of this gladiatorial spectacle Bergner caught surprising glimpses of exaltation hints of triumphant skill The incongruity of seeing hope where one would expect only hopelessness self control in men who were there because they d had none sparked an urgent quest in him Having gained unlimited and unmonitored access Bergner spent an unflinching year inside the harsh world of Angola He forged relationships with seven prisoners who left an indelible impression on him There s Johnny Brooks seemingly a latter day Stepin Fetchit who while washing the warden s car longs to be a cowboy and to marry a woman he meets on the rodeo grounds Then there s Danny Fabre locked up for viciously beating a woman to death now struggling to bring his reading skills up to a sixth grade level And Terry Hawkins haunted nightly by the ghost of his victim a ghost he tries in vain to exorcise in a prison church that echoes with the cries of convicts talking in tongues Looming front and center is Warden Burl Cain the larger than life ruler of Angola who quotes both Jesus and Attila the Hun declares himself a prophet and declaims that redemption is possible for even the most depraved criminal Cain welcomes Bergner in and so begins a journey that takes the author deep into a forgotten world and forces him to question his most closely held beliefs The climax of his story is as unexpected as it is wrenching Rendered in luminous prose *God of the Rodeo* is an exploration of the human spirit yielding in the process a searing portrait of a place that will be impossible to forget and a group of men guilty of unimaginable crimes desperately seeking a moment of grace
