

A photograph of a room, likely a soldier's quarters. A khaki military uniform with a brown leather belt and a shoulder strap hangs on a dark wooden door. In the foreground, a bed with a white sheet is visible, with a military cap and some papers resting on it. In the background, a wooden chair with a circular clock face on its back is positioned against a light green wall. A small framed picture hangs on the wall above the chair.

Toby S Room:

Toby's Room Pat Barker, 2012-10-02 From Booker Prize winner Pat Barker a masterful novel that portrays the staggering human cost of the Great War Admirers of her Regeneration Trilogy as well as fans of Downton Abbey and War Horse will be enthralled With Toby s Room a sequel to her widely praised previous novel Life Class the incomparable Pat Barker confirms her place in the pantheon of Britain s finest novelists This indelible portrait of a family torn apart by war focuses on Toby Brooke a medical student and his younger sister Elinor Enmeshed in a web of complicated family relationships Elinor and Toby are close some might say too close But when World War I begins Toby is posted to the front as a medical officer while Elinor stays in London to continue her fine art studies at the Slade under the tutelage of Professor Henry Tonks There in a startling development based in actual fact Elinor finds that her drafting skills are deployed to aid in the literal reconstruction of those maimed in combat One day in 1917 Elinor has a sudden premonition that Toby will not return from France Three weeks later the family receives a telegram informing them that Toby is Missing Believed Killed in Ypres However there is no body and Elinor refuses to accept the official explanation Then she finds a letter hidden in the lining of Toby s uniform Toby knew he wasn t coming back and he implies that fellow soldier Kit Neville will know why Toby s Room is an eloquent literary narrative of hardship and resilience love and betrayal and anguish and redemption In unflinching yet elegant prose Pat Barker captures the enormity of the war s impact not only on soldiers at the front but on the loved ones they leave behind
