Krishnamurti* Jiddu Krishnamurti, J. Krishnamurti, 1991 In this volume Krishnamurti takes great care to elucidate this necessity of a revolution within our consciousness where the problem lies before we expect any kind of revolutionary change outside of ourselves Krishnamurti posits that if the politicians and scientists wanted to end starvation in the world it could be done It could be done but they are not going to do it as long as their thinking is based on nationalism on motives of their own personal profit And even if this far reaching outward change were brought about it seems to me that the problem is much deeper The problem is not merely starvation war the brutality of man to man it is the crisis in our own consciousness Fundamentally the problem lies within p 295 7500+ Objective Questions of SSC Reasoning (Chapterwise & Typewise Questions) 1999 to till date - Bilingual Career Point Kota, 2021-10-01 Whenever a student decides to prepare for any examination her his first and foremost curiosity arises about the type of questions that he she has to face This becomes more important in the context of competitive exams where there is a neck to neck race For this purpose we feel great pleasure to present this book before you We have made an attempt to provide all competitive exams Reasoning chapter wise and type wise questions asked in various SSC Banks etc exams from 1999 to 2020 along with their solutions Features Chapterwise and type wise collection of past SSC Banks and other competitive exams question papers 1999 2020 Each chapter divides the questions into different types Type 1 Type2 and Type 3 Solutions have been given with enough diagrams proper reasoning for better understanding Students must attempt these questions immediately after they complete the chapter in their class school home during their preparation My Tapestry of Poems Alice R.
