Lorie's Heart Amy Lillard, 2015-08-01 A strikingly different Amish tale of finding family love and forgiveness from the author of *A New Love for Charlotte*. Fresh Fiction: Welcome back to Wells Landing, Oklahoma, the tranquil Amish community where still waters run deep, and a brave young woman sets out to discover her faith, her family, and herself. Lorie Kauffman is grief-stricken when her father passes away unexpectedly. But her heartache quickly turns to bewilderment when she discovers he'd been leading two lives: one of simplicity and hard work in Wells Landing, and one fraught with painful ordeals in Tulsa. As she starts digging into her family's past, Lorie finds herself torn between the Amish world and the Englisch world, and she's no longer certain where she belongs. Lorie knows that if she leaves Wells Landing, she may never be able to return. But what if her destiny lies in the outside world, the world her father knew so well? Change is never easy, but with a bit of courage and the help of a handsome and kind-hearted Englischer, she just may find the peace, acceptance, and love she's been longing for. Praise for Amy Lillard and her Wells Landing novels: A sweetly inspirational contemporary love story rich with the trappings of Amish culture and tradition; the novel informs as well as entertains. *Publishers Weekly*: An inspirational story of romance, faith, and trust will appeal to fans of Wanda Brunstetter and Beverly Lewis. *Library Journal*: Amy Lillard writes her Amish stories with the respect they are due. *RT Book Reviews*: [Scaling Up Excellence](#) Robert I. Sutton, Huggy Rao, 2014-02-04 Wall Street Journal Bestseller. The pick of 2014's management books. *Andrew Hill*, *Financial Times*: One of the top business books of the year. *Harvey Schacter*, *The Globe and Mail*: Bestselling author Robert Sutton and Stanford colleague Huggy Rao tackle a challenge that determines every organization's success: how to scale up farther, faster, and more effectively as an organization grows. Sutton and Rao have devoted much of the last decade to uncovering what it takes to build and uncover pockets of exemplary performance to help spread them and to keep recharging organizations with ever better work practices. Drawing on inside accounts and case studies and academic research from a wealth of industries, including start-ups, pharmaceuticals, airlines, retail, financial services, high-tech, education, non-profits, government, and

healthcare Sutton and Rao identify the key scaling challenges that confront every organization They tackle the difficult trade offs that organizations must make between whether to encourage individualized approaches tailored to local needs or to replicate the same practices and customs as an organization or program expands They reveal how the best leaders and teams develop spread and instill the right mindsets in their people rather than ruining or watering down the very things that have fueled successful growth in the past They unpack the principles that help to cascade excellence throughout an organization as well as show how to eliminate destructive beliefs and behaviors that will hold them back Scaling Up Excellence is the first major business book devoted to this universal and vexing challenge and it is destined to become the standard bearer in the field
