Tookey S Talkies 144 Great Films From The Last 25 Years:

Tookey's Talkies Christopher Tookey, 2015-03-28 Tookey's Talkies celebrates 144 great movies of the last 25 years Christopher Tookey has seen at least 10 000 films For eight years he was TV and then film critic for the Sunday Telegraph For twenty years he was sole film critic for the Daily Mail and the world's most popular internet newspaper Mail Online In 2013 he won the award Arts Reviewer of the Year from the London Press Club Tookey's Talkies is a book celebrating 144 of the great movies of the last 25 years They range from movies that are generally accepted from The Artist to Toy Story through to films Christopher liked much more than his colleagues These include a very wide variety of films from the memorably horrific Japanese film Audition to the courageous Chinese drama To Live via Denmark's fine political thriller King's Game He also tries to explain why he loved Ed Wood and Isn't She Great both commercial flops along with such critically underrated movies as Cheri Separate Lies and The Tourist The films collected in this volume are welcome evidence that quality has not yet been drowned out by quantity and creativity has not been entirely destroyed by commerce For Christopher film remains the most exciting and uplifting art form of our times Tookey's Talkies will appeal greatly to the general reader and in particular to all film fans including those who have followed Christopher's reviews over the years In a companion volume Tookey's Turkeys Christopher has written about the 144 films that annoyed or angered him most over the same period

Easy A Betty Kaklamanidou, 2018-04-24 Easy A 2010 is the last significant box office success in the high school teen movie subgenre and a film that has already been deemed a classic by many cultural commentators and popular film critics By applying interdisciplinary insight to a relatively overlooked movie in academic discussion Easy A The End of the High School Teen Comedy is the first in depth volume that places the movie within several key contexts and concepts of intertextuality gender genre and adaptation and social discourse Through the unpacking of a complex narrative that draws its plot from Nathaniel Hawthorne's The Scarlet Letter 1850 and shares affinities with John Hughes paradigmatic films from the 1980s and key films from the 1990s this volume presents Easy A as a palimpsest for the millennial generation Clear and comprehensive the book argues that Easy A marks the end of the commercially successful high school teen comedy and discusses the reasons through a comparative synchronic and semi diachronic historical comparison of the film with contemporary cinematic texts and those of the 1980s and 1990s

Tookey's Turkeys Christopher Tookey, 2015-03-28 Tookey's Turkeys identifies the worst 144 movies of the last 25 years Christopher Tookey has seen at least 10 000 films For eight years he was TV and then film critic for the Sunday Telegraph For twenty years he was sole film critic for the Daily Mail and the world's most popular internet newspaper Mail Online In 2013 he won the award Arts Reviewer of the Year from the London Press Club This is a book about 144 of Christopher's least favourite movies In his opinion the movies we hate tell us as much about present day culture as our favourites All offer insights into the mindset of those who made or commissioned them Virtually all make us aware of things we might rather not know about our culture and values or lack thereof Technically

movies are more advanced than ever before yet paradoxically seldom have so many wrongheaded movies been made And never have they plumbed the depths of ineptitude depravity and risibility that they have over the last 25 years The choice of films Christopher has disliked over the past two and a half decades may be controversial Some movies he finds ridiculous have achieved critical acclaim A few have won Oscars But the fact that The Da Vinci Code The Hangover II and Star Wars Episode III Revenge of the Sith are among the most commercially successful movies of all time should not disguise the fact that they are also in his opinion bloody awful Tookey s Turkeys will appeal greatly to the general reader and in particular to all film fans including those who have followed Christopher s reviews over the years In a companion volume Tookey s Talkies Christopher has written about the best 144 films that he has seen over the same period Featured in The Bookseller March 2015 Non Fiction picks Film TV the Performing Arts
