Customer Relationship Management Strategies in the Digital Era Nasir, Süphan, 2015-03-31 In today's global economy social media and technological advances have changed the way businesses interact with their clientele. With new forms of communication and IT practices, companies seek innovative practices for maintaining their consumer loyalty. *Customer Relationship Management Strategies in the Digital Era* blends the literature from the fields of marketing and information technology in an effort to examine the effect that technological advances have on the interaction between companies and their customers. Through chapters and case studies, this publication discusses the importance of achieving competitive advantage through implementing relationship marketing practices and becoming consumer-centric. This publication is an essential reference source for researchers, professionals, managers, and upper-level students interested in understanding customer loyalty in a technology-focused society.

The Ultimate Online Customer Service Guide Marsha Collier, 2010-12-15 Make your online customers happy and create new ones with this winning guide. Social media gives you an unparalleled vehicle for connecting and engaging with an unlimited number of customers. Yet this vehicle is different than other more impersonal forms. With social media, reps become part of their customers' lives. They follow back. They handle complaints immediately. They wish customers happy birthday. They grow their brands by involving themselves in communities. *The Ultimate Online Customer Service Guide* gives you the keys to authentic and engaged service to customers through social media. Using a blend of case studies, a primer on classic online customer service, and instructions on how to execute quality customer service, this book enables you to access the opportunities that social media presents as a means of serving customers. Authentically use social media to connect with customers to boost your bottom line. Attract new customers through your online presence. Achieve higher GMS (Gross Merchandise Sales) with quality customer service. Social media gives you a new and growing realm to distinguish your business. Create a productive presence in this interactive space with *The Ultimate Online Customer Service Guide*.

Management, International Adaptation John R. Schermerhorn, Daniel G. Bachrach, 2024 *Management* 15th edition continues to offer the same balanced theoretical approach as with previous editions. Students need an active and engaged learning classroom environment that brings personal meaning to course content and the instructor's course objectives. The book communicates with students through rich, timely features and cases that bring management topics, theories, and concepts to life. The underlying goal is to translate foundation theories into lasting tools for students as they move beyond the classroom where their skills will be put to the test. This international edition has been revised and updated with a focus on timely content, student engagement through real-world challenges, and personal career issues. Centralizing new topics such as diversity, equity, inclusion, and social impact, this edition introduces new features of issues to attract learners' attention to timely social and organizational issues, as well as new cases and more opportunities for self-assessment.
