Shukert, 2013-03-12 Set in Old Hollywood follows the lives of three teen girls as they live love and claw their way to the top in a world where being a star is all that matters Provided by publisher **Starstruck** Amy Clipston, 2023-11-14 Music love and dreams all combine in perfect harmony in this sweet romance Sheila Roberts USA TODAY bestselling author Can a small town waitress capture the heart of a world famous heartthrob For Heather Gordon life in her small North Carolina town has

always been simple and uneventful until one night when a rowdy food fight breaks out in her family's restaurant where she works as a waitress. The culprits? The internationally famous rock band Kirwan. And when Alex Kirwan, the charming and enigmatic lead singer, wants to make amends for his brothers' and bandmates' behavior and invites her to attend one of their concerts as a guest of the band, Heather's world is turned upside down and sparks fly. Alex has always loved music, but his rock star life isn't all glamorous people and parties. It's also paparazzi and online tabloids, a new city every week, and the loneliness of touring, even if he has his brothers with him. But with Heather, things are different, and he's instantly smitten and determined to get to know the sweet, pretty woman who has absolutely no interest in his fame. If only he can convince her to take a chance on his crazy life. Once Alex leaves on tour, he and Heather begin exchanging messages and calls. Despite the distance between them, they find themselves learning they have more in common than they ever could have imagined. But even while Heather and Alex's relationship deepens, they must face the harsh realities of fame and the pressures it puts on their personal lives. Will their love be enough to overcome the challenges that come with celebrity, or will the rigors of distance and Alex's life on the road tear them apart? Filled with heart and the intoxicating allure of possibility, *Starstruck* is a friends-to-lovers romance that takes place in the charming setting of the Flowering Grove series but can be read as a standalone. It's a love story that's heartwarming and wholesome, leaving you with all the feels and none of the explicit content, and with discussion questions included. *Starstruck* is a must read for your romance book club.

When the impossibly hot new quarterback ignores all the pretty cheerleaders competing for his attention to come over and sit at YOUR lunch table, what do you do? I've always been the class dork, shy, bookish, not particularly pretty, and definitely not popular. In other words, I've never been anybody important. Orphaned twice as a toddler, I'm not even sure who I am other than a burden to my super strict adoptive aunt. But then the gorgeous new quarterback Rigel arrives at Jewel High and turns his back on all the popular girls vying for his attention to seek out ordinary me. Of all people, I'm over the moon, of course. But the first time Rigel touches me, sparks fly, literally. Then weird things start happening. Suddenly, I no longer need my thick glasses. My complexion improves too. When I demand to know what's going on, the answer both thrills and terrifies me. Not only is Rigel my bonded soulmate, apparently, I'm not such a nobody after all. But my unexpected status comes with huge risks that threaten both my life and our newfound love.

Book 1 of an electrifying young adult science fantasy romance series from a New York Times and USA Today bestselling author where teen romance blends with science fiction to open a whole new world of action, adventure, and discovery.
