

A collage of Star Wars imagery serves as the background. On the left is a close-up of Darth Vader's helmet. In the center, two Jedi duel with blue lightsabers against a fiery orange and red backdrop. On the right, a Jedi in white robes interacts with the droid R2-D2. The entire scene is set against a dark, star-speckled space background with a planet's horizon visible in the bottom left corner.

**Grace Canceled** Dana Loesch,2020-02-25 A society addicted to outrage is in trouble It s a seductive yet toxic drug that kills reason nuance and kindness Dana Loesch has been the target of as much outrage as anyone And as she forthrightly acknowledges here she has dished it out as well As passionately attached to faith and freedom as ever she warns that our addiction to outrage has debased our politics and reduced us to a vicious tribalism The antidote to outrage is grace a generous and forgiving spirit that tolerates those with whom one disagrees and offers redemption to the offender But grace is hard even under the best conditions and leftist rage mobs have stoked the fires of anger so assiduously with help from some of their foes on the right that grace is almost impossible Fortunately as Dana reminds us grace comes from God who specializes in the impossible In Grace Canceled Dana Loesch explains How America got cut up into competing tribes Why a society without grace falls for socialism Why outrage makes us dumb How violence became an acceptable political tactic on the left When anger is called

for and when it's just self-indulgence The three golden rules of a happy warrior Make no mistake our freedom our faith our very way of life are under attack The stakes are incredibly high and Dana doesn't pretend they aren't But the social justice warriors are already slaves of outrage and if the rest of us become slaves as well then no one wins *Contemporary Archaeology in Theory* Robert W.
