Want Me Rowan McBride:

Dragonfaerie Christopher A. Cooke, 2013-04-16 Will Englewood a fifteen year old boy saw his infant brother kidnapped by something that shouldn't exist 10 years later the creature came back for him In an instant Will finds himself in a world of exotic creatures powerful mages and treacherous landscapes with his only chance to rescue his brother lying in a mystical being known only as the Dragonfaerie But before his journey is over Will must decide whether to live out his days as an average American teenager or to stay and help the world he is in Before it tears itself apart Railway Mail Pay United States. Congress. Joint Committee on Postage on Second-Class Mail Matter and Compensation for the Transportation of Mail, 1913 **Railway Mail Pay** United States. Congress. Joint Committee on Postage on Second-Class Mail Matter and Compensation for Transportation of Mail, 1914 *Love, Like Water* Rowan Speedwell, 2013-07-10 Three years undercover with one of the worst gangs in the country left FBI agent Joshua Chastain shattered Battling nightmares and addiction he leaves the concrete jungle for New Mexico horse country hoping to start over on his uncle's ranch Foreman Eli Kelly spends his life rehabilitating abused animals and Joshua is just another lost soul But as Joshua slowly begins to put his life back together Eli realizes that Joshua is a lot more than his newest project Joshua's plan seems to work maybe a fresh start was just what he needed Then just when he has finally found a sense of peace crime and hatred nearly destroy all his hard work forcing him to reevaluate what he wants out of his relationship with Eli and his own life **Vein of Iron** Ellen Anderson Gholson Glasgow, Ellen Glasgow, 1995 Ellen Glasgow considered *Vein of Iron* published in 1935 to be her best work No novel has ever meant quite so much to me she wrote a friend The critics agreed the book was favorably reviewed on the front page of the New York Times Book Review and outsold all but one other work of fiction in the year of its publication Opening in the years just before the First World War and laid in the Valley of Virginia the book traces the experience of a family with four generations of strong women Faced with a crisis when the bread winner a philosopher minister is defrocked for his unorthodox views the women provide the vein of iron which carries the family through removal to Richmond Queensboro in the book through war and depression until the final return to the mountains BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Lavender and the Rose** Michael Graeme, 2024-03-21 Matthew is exploring a lonely valley in the English Lake District when he meets Amanda mistress of Cragside an isolated cottage nestled deep in a fold between high fells Amanda invites him to spend the night and to play a game He is to become Joshua the love she last saw a century ago and who she's been waiting for ever since Yes there's something odd about Amanda she dresses in Victorian costume and calls herself Beatrice There's something odd about the house too It looks like the ideal refuge from a world gone mad but it sits at the epicentre of a magnetic anomaly and has a reputation for playing strange tricks on the mind *The Lavender and the Rose* is an unusual love story an erotic adventure and a spiritual odyssey It's also a psychological mystery whose unravelling reveals the flexible nature of human identity and the nature of reality itself Vein of Iron Ellen

Glasgow,2022-09-15 In her evocative novel *Vein of Iron* Ellen Glasgow delves into the life of a Southern family grappling with the social and moral dilemmas of the post Civil War South The narrative unfolds in a richly detailed naturalistic style that captures the complexities of human emotion against the backdrop of a changing society Through the lives of her characters Glasgow examines themes of ambition tradition and the struggle for identity in a landscape marked by loss and resilience ultimately reflecting the tension between personal desires and societal expectations Ellen Glasgow a major voice in early 20th century American literature was deeply influenced by her Virginia roots and the cultural shifts of her era Her dedication to portraying the Southern experience with authenticity informs her work including *Vein of Iron* where she critiques the limitations imposed by both class and gender Glasgow s keen observations and innovative narrative techniques demonstrate her commitment to exploring the psychological depth of her characters setting her apart from her contemporaries *Vein of Iron* is a compelling read for anyone interested in the intersections of history culture and personal struggle It offers not just a window into Southern life but also a timeless exploration of the human condition that remains relevant today Readers seeking an insightful and beautifully crafted narrative will find Glasgow s work to be both enlightening and thought provoking
