The Antichrist Whom Christ Declared Raymond Van Zleer, 2008-04-10 THE ANTICHRIST WHOM CHRIST DECLARED A Different Perspective Unlike other the antichrist is exposed this book uses the words teachings and actions of Jesus Christ to document whom He proclaimed the antichrist to be The antichrist whom Jesus Christ actually actively opposed in word and deed It confirms this reality using Biblical Scripture and the events of history even as it focuses upon the present to reveal the antichrist and his wide ranging scope of satanic actions in today's world here and now TOPICS INCLUDE How Christianity and by inference other religions too unknowingly promote the vile evils seen in today's world How Belief Faith and the Holy Bible are cunningly used to justify and support evil often utilizing the unwitting and sometimes willing support of believers and the church The satanic rationales behind terrorism environmental destruction and toxic pollution as well as the ongoing periodic economic crisis and those who profit from these deliberate satanic deeds How the media justifies and promotes evil including by so called religious values that brings evil into being then perpetuates it Non Christian readers will find this book meaningful and useful Like Christians they can use it to identify and counter those who accidentally or deliberately use Jesus Christ and the Holy Bible to abuse religion and promote evils satanic agenda

Satan the Anti-Christ and the False Prophet Larry I. DeRycke, 2014-02-18 Anti Christ Defined I feel that it is important to understanding Satan that we define just what is meant by the word anti Christ The word Christ is obvious it refers to the Savior the son of God the God of Creation The English word anti means to be against or in opposition to The problem is that the word anti as used in the Bible is Greek in its origin and therefore has a definition with more meaning than the English word In the Bible Concordance anti Christos is defined as False Christ Substitute for Christ Opposite of reverse neutralizing antagonistic Therefore the anti Christ is someone or something that makes you think they are Christ through false representation and substitution This can be illustrated in the Bible with the following verses The purpose of this book is to reveal God's True Word to all who seek to know God's Truth

Naming the Antichrist Robert C. Fuller, 1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In Naming the Antichrist Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller

begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of The Late Great Planet Earth with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life
