Destiny's Consul Michael P. Riccards,2012-06-19 What makes a great president Certainly leadership accomplishments crisis management political skill character and integrity are part of the equation but the great presidents have something more They not only govern well but are part of something lasting their presidencies influence the thoughts and beliefs of generations These powerful men are not flawless leaders they have made mistakes and miscalculations but in the end their decisions have changed the nation and often the world In *Destiny's Consul* America's Greatest Presidents presidential scholar Michael P Riccards provides a concise introduction to the lives presidencies and personal qualities of ten great individuals whom Riccards argues are our greatest presidents Organized chronologically George Washington Thomas Jefferson Andrew Jackson James K Polk Abraham Lincoln Theodore Roosevelt Woodrow Wilson Franklin D Roosevelt Harry S Truman and Ronald Reagan are shown to truly be great It will be of interest to anyone interested in the presidency of American history

Warlord Survival Romain Malejacq,2020-01-15 How do warlords survive and even thrive in contexts that are explicitly set up to undermine them How do they rise after each fall *Warlord Survival* answers these questions Drawing on hundreds of in depth interviews in Afghanistan between 2007 and 2018 with ministers governors a former vice president warlords and their entourages opposition leaders diplomats NGO workers and local journalists and researchers Romain Malejacq provides a full investigation of how warlords adapt and explains why weak states like Afghanistan allow it to happen Malejacq follows the careers of four warlords in Herat Sheberghan and Panjshir Ismail Khan Abdul Rashid Dostum Ahmad Shah Massoud and Mohammad Qasim Fahim He shows how they have successfully negotiated complicated political environments to survive ever since the beginning of the Soviet Afghan war The picture he paints in *Warlord Survival* is one of astute political entrepreneurs with a proven ability to organize violence Warlords exert authority through a process in which they combine instrumentalize and convert different forms of power to prevent the emergence of a strong centralized state But as Malejacq shows the personal relationships and networks fundamental to the authority of Ismail Khan Dostum Massoud and Fahim are not necessarily contrary to bureaucratic state authority In fact these four warlords and others like them offer durable and flexible forms of power in unstable violent countries

The Disfavored Hero Jessica Amanda Salmonson,2015-04-07 Forced to betray her lord a disgraced samurai

fight to regain her honor In the fabled land of Naipon there is no warrior more feared no samurai more respected than the legendary Tomoe Gozen whose twin blades can change the course of any battle After years of service to Lord Shigeno she is about to renew her oath of loyalty when the sky darkens and a cry of rebellion comes from the hills Possessed by an evil wizard the peasants are marching against their master Tomoe holds off the wave of pitchfork wielding farmers for as long as she can Finally the battle overwhelms her and the greatest samurai in Naipon falls dead She awakes in hell on a slope lined with bloody corpses After an eternity of fighting she reaches the summit and finds herself in the chamber of a wizard who restores her to life She is alive but now she must do his bidding Her honor has been shattered but Tomoe Gozen will do whatever it takes to win it back *Prophecies, Libels & Dreams* Ysabeau S. Forest Wars Graham Diamond, 1995 The author takes the reader into a dangerous fantasy world of intrigue prophecy and impending doom for humanity **Fundamentalism in America** Philip Melling, 2013-12-02 This important book challenges the idea that religious fundamentalism can adequately be understood as a paranoid xenophobic faith It demonstrates instead how it draws upon a long tradition of evangelical and millennialist scripture in its engagement with issues at the spiritual and ethical core of postmodernity in the United States The author examines the varieties of fundamentalism as they appear in prophecy sermon film and fiction In its wide ranging consideration of the rhetoric of the New World Order the literature of prophecy Cold War films television evangelism cross border texts and post nationalist writing *Fundamentalism in America* provides a vital and compelling account of the present state of religious and nationality identity in the United States **Infantry**, 2013 *Arming the Chinese, Second Edition* Anthony B. Chan, 2011-01-01 The

existence of warlords and warlordism is not a post 9 11 phenomenon The international arms trade has a long history and includes the sale of foreign weapons to Chinese warlords after the First World War First published in 1982 this book remains the classic account of the arms trade in warlord China The second edition includes a new preface that reframes the argument within the paradigm of critical militarism and state criminality Arming the Chinese tells the story of the warlords who sought weapons for their expanding armies and of the merchants and governments in Europe Japan and the United States who provided them Although the warlords were hearty individualists who retained control over domestic affairs and rarely relied on single foreign suppliers the armaments trade Chan argues was a new form of imperialism which perpetrated the continued Western and Japanese domination of China

Of Destiny's Daughters R. J. Hore, 2019-01-07 When a gigantic damaged spaceship suddenly appears over Ottawa requesting assistance the world is thrown into confusion Why are they really here If they are having problems what caused the damage Then there is the Thorncroft family Paul is depressed and gets sucked up into a spaceship Lucile and her ex military girlfriends are bored and looking for a fight romance or something to break up the monotony Their mother Martha is trying to hold the family together while she deals with her husband's PTSD and alcoholism Everyone else is trying to discover the alien's secrets and befriend them or destroy them and anyone who has dealings with them

Resisting Rebellion Anthony James Joes, 2006-08-18 In *Resisting Rebellion* Anthony James Joes's discussion of insurgencies ranges across five continents and spans more than two centuries Analyzing examples from North and South America Europe Africa and the Middle East he identifies recurrent patterns and offers useful lessons for future policymakers Insurgencies arise from many sources of discontent including foreign occupation fraudulent elections and religious persecution but they also stem from ethnic hostilities the aspirations of would be elites and traditions of political violence Because insurgency is as much a political phenomenon as a military one effective counterinsurgency requires a thorough understanding of the insurgents motives and sources of support Clear political aims must guide military action if a counterinsurgency is to be successful and establish a lasting reconciliation within a deeply fragmented society

Conflict, Crime, and the State in Postcommunist Eurasia Svante Cornell, Michael Jonsson, 2014-02-11 *Conflict Crime and the State in Postcommunist Eurasia* examines the emergence and evolution of a crime conflict nexus and the relationship between ideologically motivated insurgents and profit motivated criminal organizations in the region

NexLord: Dark Prophecies Philip Blood, 2010-04-12 The *NexLord* series is a traditional fantasy in the sense that it deals with strong good and evil The focus of this epic fantasy story are four young people caught up in a deadly struggle started long ago It explores the good and evil power of all emotions The magic system is based on emotion and deals with the power of group beliefs and self fulfilling prophecy The setting of the story is a unique planet where all normal human emotional tendencies are magnified Humans are not alone there and four other intelligent races inhabit the lands as well Prejudice runs rampant and wars based on racial hatred have plagued the lands for hundreds of years The emotions of hate and fear have coalesced into one place and

continuously inhabit the body of a human known as the Dreadmaster This being continuously gathers and wields these evil powers The ever growing power exists independently of the human vessel it inhabits and when the body is destroyed it is only a matter of time until the power inhabits a new vessel To combat the Dreadmaster s power all free humans gathered at one time and created a power fueled by their common belief and emotional need a power that can be given to a NexLord Using a check an balance system to keep this power from being abused a test was created Those who pass this test become Knights of the Realm known as NexLords The NexLords and their Bondsmen are the one counter to the Dreadmaster s power But with the ending of the Final War the last of the NexLords disappeared into the east warning that the Dreadmaster s power was still out there but no one listened or believed For three hundred years now there has not been a new Dreadmaster and no one in the Human Realm has followed the difficult path to become a NexLord However there is a Prophecy spreading across the land a prophecy that tells of the coming of a new NexLord who will bring a golden age But what it predicts is about to go terribly wrong for there is another prophecy a Dark Prophecy and the world is about to change to that path Dark Prophecies is the first novel of a three book Fantasy Epic series A mysterious old woman named Mara comes to teach four children who have been foretold in two dire prophecies The kids have wild adventures while forming strong bonds Mara teaches them to fight and much more for the mysterious old woman knows what the future holds for these children and their coming will shake the world
