Reimagining Delilah's Afterlives as Femme Fatale Caroline Blyth,2017-10-05 The story of Samson and Delilah in Judges 16 has been studied and retold over the centuries by biblical interpreters artists musicians filmmakers and writers Within these scholarly and cultural retellings Delilah is frequently fashioned as the quintessential femme fatale the shamelessly seductive fatal woman whose sexual treachery ultimately leads to Samson s downfall Yet these ubiquitous portrayals of Delilah as femme fatale tend to eclipse the many other viable readings of her character that lie underexplored within the ambiguity laden narrative of Judges 16 interpretations that offer alternative and more sympathetic portrayals of her biblical persona In Reimagining Delilah s Afterlives as Femme Fatale Caroline Blyth guides readers through an in depth exploration of Delilah s afterlives as femme fatale in both biblical interpretation and popular culture tracing the social and historical factors that may have inspired them She then considers alternative afterlives for Delilah s character using as inspiration both the Judges 16 narrative and a number of cultural texts which deconstruct traditional understandings of the femme fatale thereby inviting readers to view this iconic biblical character in new and fascinating lights **Firestorm** Nancy
