Fundamentals of Management with Online Study Tools 12 Months Danny Samson, Richard L Daft, Timothy Donnet, 2017-12-05 Samson Daft Donnet's Fundamentals of Management is a robust foundation text providing a balance of broad theoretical content with accessible language for students. This sixth edition features a new author on the team and contains updates to content based on recent research. Along with current management theory and practice, the text integrates coverage of innovation, entrepreneurship, agile workplaces, social media, and new technology throughout. The book is rich with experiential exercises, self-assessment activities, challenges, and cases for students to engage with, developing multiple skills. Examples within the text are both local and global, with a new focus on a skills approach, and each part of the text concludes with a contemporary continuing case study focussing on car company Toyota as it faces managerial challenges and opportunities in the region. The text covers the four key management functions: Planning, Organising, Leading, and Controlling, conveying to students the elements of a manager's working day.

World War II Pacific Island Guide Gordon L. Rottman, 2001-12-30. Covering all Pacific islands involved in World War II military operations, this book is a detailed single source of information on virtually every geo-military aspect of the Pacific Theater. Arranged regionally and to the extent possible chronologically according to when islands entered the war, entries provide complete background information. Along with island names, nicknames, Allied code names, location, and wartime time zones, the entries include such topics as the island's physical characteristics, weather, health hazards, historical background, native population, natural resources, and military value. Japanese and Allied strategies and operations, military problems caused by terrain, military installations, Japanese units, and key commanders, Allied units, and key commanders, and brief battle descriptions are also covered, along with the island's postwar status. A valuable resource for researchers, historians, military history enthusiasts, and war gamers, the book provides complete background information on the geo-military aspects of the Pacific Ocean region, its islands, and the roles they played in the war. 108 maps provide specific information. Until now, geo-military information could only be found by searching four to ten publications on each island.

Cult Shock Mark Stengler, 2017-07-04. Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah's Witnesses and Mormons when they come knocking. Cult Shock is an easy-to-follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah's Witness and Mormon missionaries. Mark Stengler Jr and Mark Stengler Sr, a father and son team of Christian scholars, explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview. Readers will gain confidence witnessing to these groups based on the Stengler's recommended engagement techniques from their years of experience. Cult Shock provides all the tools you need to proclaim the real Jesus with fearless confidence.

Confront! John J. Michalczyk, 2004 Many critics and some historians consider resistance in Nazi Germany as too little
and too late Few Germans were willing to take risks and others began to oppose the Third Reich only when the end was in
sight However despite the threat of prison concentration camp or death there were many diverse groups from the academic
military and spiritual sectors of society that challenged the Reich s harsh unjust policies This book represents the spectrum
of these forms of resistance and illustrates the courage of those who dared to confront the Nazi government *The
