Waterland Graham Swift:

Waterland Graham Swift, 2012-09-19 Set in the bleak Fen Country of East Anglia and spanning some 240 years in the lives of its haunted narrator and his ancestors *Waterland* is a book that takes in eels and incest ale making and madness the heartless sweep of history and a family romance as tormented as any in Greek tragedy *Waterland* like the Hardy novels carries with all else a profound knowledge of a people a place and their interweaving Swift tells his tale with wonderful contemporary verve and verbal felicity A fine and original work Los Angeles Times **NOVELS FOR STUDENTS** CENGAGE LEARNING. GALE, 2016 *A Study Guide for Graham Swift's "Waterland"* Cengage Learning Gale, 2017-07-25 A Study Guide for Graham Swift's *Waterland* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs **Waterland** Graham Swift, 2013-10-15 Graham Swift's extraordinary masterpiece a finalist for the Booker Prize *WATERLAND* weaves together eels and incest ale making and madness the heartless sweep of history and a family romance as tormented as Greek tragedy into one epic story In the flat watery Fen Country of East Anglia a passionate history teacher named Tom Crick is being forced into early retirement from the school where he has taught for thirty years When a student rebelliously questions the value of the subject to which Tom has devoted his life Tom responds with his own personal retrospective His story intertwined with the stories of the local wetlands the French Revolution and World War II among other things throws light onto the dark circumstances of the current day revealing how his wife's tragic youth led to the events surrounding his forced retirement A monumental tribute to the past a gripping multigenerational family saga and a powerful affirmation of the history of self this exceptional novel illuminates the cycles of time in which we live Introduction by Tim Bunting

Waterland Graham Swift, 2002 First published in 1983 Graham Swift's multilayered chronicle set in the Cambridgeshire Fens is widely regarded as one of the finest British novels of the 1980s Tom Crick is a history teacher but the history that absorbs him is his own and his family's The past with its secrets and oddities hangs heavy on him pushing him towards a heartbreaking new crisis in his life Swift's powerful psychological drama takes in life and death betrayal and compassion his setting the brooding landscape of the marshy Fens is utterly compelling **The End of the End of History: Graham Swift's *Waterland*** John Schad, 1992 **Graham Swift's "*Waterland*"** David Malcolm, 1994 Narrative Fiction and History in Graham Swift's "*Waterland*" Roger Grünblatt, 1990 **Graham Swift's "*Waterland*"** Brigitte Brun, 1991 "The Waters Return" Laura Schrock, 2008 The following chapter will engage *Waterland* in isolation from Swift's other novels and collection of short stories not because these texts do not mutually illuminate one another but because *Waterland* deserves a treatment of the kind of depth that warrants an extended concentrated study That chapter seeks specifically to counter several of the blatant misreadings of the narrator's posture and intent within the novel and to adequately evaluate that

posture and intent as they emerge within the full context of the wealth of literary devices Swift employs including irony mythical imagery and scriptural allusion The mythical images and allusions that are touched upon by other critics comprise here the central study close reading biblical hermeneutics and specific strains of French feminism will interact to allow for a reengagement of Waterland beyond the exhausted circular terms of deconstructive relativism

Allegories of Telling Lynn Wells, 2003 In this critical study Lynn Wells presents detailed readings of novels by five prominent British authors John Fowles Angela Carter Graham Swift A S Byatt and Salman Rushdie with an emphasis on how the texts self referential aspects illuminate the acts of reading and writing fiction in contemporary Britain and by extension around the world

History and Storytelling in Graham Swift's Waterland Andrew Colcord Curtis, 1992 **An Analysis of Graham Swift's Waterland** Kovács Zsuzsanna, 1996 *Paying the Symbolic Price* Ryan Siemers, 2010 *Cat's cradle* Regula Staub, 1992 **Beyond Postmodernism** Klaus Stierstorfer, 2003 After the veritable hype concerning postmodernism in the 1980s and early 1990s when questions about when it began what it means and which texts it comprises were apt to trigger heated discussions the excitement has notably cooled down at the turn of the century Voices are now beginning to be heard which seem to suggest a new episteme in the making which points beyond postmodernism while it remains at the same time very uncertain whether what appears as newness is not rather a return to traditional concepts theoretical premises and authorial practices

Contributors to this volume propose to explore new openings and recent developments in anglophone literatures and cultural theories which engage with issues seen to be central in the construction of a postmodern paradigm but deal with them in ways that promise new openings or a new Zeitgeist

[The Wiley Blackwell Companion to Contemporary British and Irish Literature](#) Richard Bradford, Madelena Gonzalez, Stephen Butler, James Ward, Kevin De Ornellas, 2020-09-03 THE WILEY BLACKWELL COMPANION TO CONTEMPORARY BRITISH AND IRISH LITERATURE An insightful guide to the exploration of modern British and Irish literature The Wiley Blackwell Companion to Contemporary British and Irish Literature is a must have guide for anyone hoping to navigate the world of new British and Irish writing Including modern authors and poets from the 1960s through to the 21st century the Companion provides a thorough overview of contemporary poetry fiction and drama by some of the most prominent and noteworthy writers Seventy three comprehensive chapters focus on individual authors as well as such topics as Englishness and identity contemporary Science Fiction Black writing in Britain crime fiction and the influence of globalization on British and Irish Literature Written in four parts The Wiley Blackwell Companion to Contemporary British and Irish Literature includes comprehensive examinations of individual authors as well as a variety of themes that have come to define the contemporary period ethnicity gender nationality and more A thorough guide to the main figures and concepts in contemporary literature from Britain and Ireland this two volume set Includes studies of notable figures such as Seamus Heaney and Angela Carter as well as more recently influential writers such as Zadie Smith and Sarah Waters Covers topics such as LGBT fiction androgyny in contemporary British Literature and post Troubles Northern Irish

Fiction Features a broad range of writers and topics covered by distinguished academics Includes an analysis of the interplay between individual authors and the major themes of the day and whether an examination of the latter enables us to appreciate the former The Wiley Blackwell Companion to Contemporary British and Irish Literature provides essential reading for students as well as academics seeking to learn more about the history and future direction of contemporary British and Irish Literature

Postmodernism and Notions of National Difference Geoffrey William Lord, Kristi Jauregi Ondarra, 1996 Postmodernism and Notions of National Difference examines the critical construction of postmodern fiction raising the question of whether the construction of postmodernism has sufficiently accounted for national difference Geoffrey Lord argues that current meta national conceptions of postmodernism need serious reconsideration to take national cultural contexts into account Through a comparative investigation of the theoretical debate literary traditions and close textual reading of a number of postmodern texts Lord makes a persuasive case for his broad claim that national cultural differences are more persistent and powerful than usually allowed by established theories of postmodernity which claim a general collapse of traditional cultural orders and the meta narratives that justify them

Contemporary British Fiction Nick Bentley, 2008-08-27 This critical guide introduces major novelists and themes in British fiction from 1975 to 2005 It engages with concepts such as postmodernism feminism gender and the postcolonial and examines the place of fiction within broader debates in contemporary culture A comprehensive Introduction provides a historical context for the study of contemporary British fiction by detailing significant social political and cultural events This is followed by five chapters organised around the core themes 1 Narrative Forms 2 Contemporary Ethnicities 3 Gender and Sexuality 4 History Memory and Writing and 5 Narratives of Cultural Space

Trauma and Representation in Graham Swift's Fiction Vanessa Fasquel, 1996

Eventually, you will utterly discover a further experience and feat by spending more cash. nevertheless when? reach you understand that you require to get those every needs in the manner of having significantly cash?
