The New Trek Programme Guide Paul Cornell,Martin Day,Keith Topping,2013-10-31 STAR TREK is one of the world s most popular and enduring science fiction franchises spanning decades worth of TV film comics books and more This book originally published just as

DEEP SPACE NINE was first being produced analyses the rebirth and renaissance of the series in the nineteen eighties and nineties Along with masses of factual information plot synopses cast and crew and uniquely British transmission dates this Programme Guide casts a gently critical eye over the series continuity and lack of it and lingers over the moments of humour intentional and otherwise In sum this is a light hearted detailed and affectionate overview of the revitalised version of the classic STAR TREK Please note that it has not been updated since its original publication **The Star Trek Universe**

Douglas Brode,Shea T. Brode,2015-05-14 As one of the most influential shows of all time Star Trek continues to engage fans around the world But its cultural impact has grown far beyond the scope of the original seventy nine episodes The show spawned an unprecedented progeny beginning with Star Trek The Next Generation followed by three additional series of space exploration Film versions featuring Captain Kirk Mr Spock and other original crew members first appeared in 1979 followed by a number of successful sequels and ultimately a reboot of the original show From the modest ambitions of the show s creator Gene Roddenberry Star Trek gradually transformed into a true franchise an expanded universe that continues to grow In The Star Trek Universe Franchising the Final Frontier Douglas and Shea T Brode have collected several essays that examine the many incarnations that have arisen since the original program concluded its run in 1969 Every aspect of media into which Star Trek has penetrated is covered in this collection the four television shows literature toys games and the big screen reboot of the original series featuring the Enterprise and her crew Essays address a number of elements particularly how the franchise has had an impact on gaming fandom and even technology Other essays consider how race gender and sexuality have been addressed by the various shows and films After a half century of boldly exploring topical issues that concern all of humanity Star Trek warrants serious attention now more than ever Looking beyond the entertainment value of its many versions The Star Trek Universe a companion volume to Gene Roddenberry s Star Trek offers provocative essays that will engage scholars of gender studies race studies religion history and popular culture not to mention the show s legions of fans around the planet The Nitpicker's Guide for Next Generation Trekkers Volume 2 Phil

Farrand,2013-09-11 A follow up to the first best selling Nitpicker s guide ferrets out the plot inconsistencies scientific inaccuracies and other foul ups in the seventh final season of the TV series Star Trek The Next Generation Strange Novel Worlds Caroline-Isabelle Caron,Kristin Noone,2024-06-18 Since the publication of the first James Blish novelizations of Star Trek episodes in 1967 close to 900 tie in novels anthologies and omnibus editions have been published Star Trek tie in novels have had a significant influence on Western popular culture The works of beloved science fiction authors have shaped the way fans understand Star Trek and its universe and many stand as near equal builders of the Star Trek franchise next to Gene Roddenberry his producers and the many creators of the later series With such a vast and varied body of work tie in books form a rich and deep cultural phenomenon the history and content of which are worthy of concerted study Despite the enduring popularity of the franchise they are based on no previous essay collection has ever focused on the numerous and

widely diverse books of Star Trek tie in novels This collection does just that by examining the tie in works as relevant literature The essays primarily focus on tie in books published from 1990 to 2022 and each author discusses the plot and context of separate novels while simultaneously exploring major themes such as canon vs fanfiction and merits of the genre The collection ends with an exploration of the continuity of this period of Star Trek as it stands following a narrative conclusion announced in 2021

Jews in Popular Science Fiction Valerie Estelle Frankel,2022-09-07 This book analyzes Jewish tropes in popular science fiction ranging from Star Trek and Marvel to other prominent franchises Sometimes the representation is subtle and thought provoking other times it is limited to cliché and oversimplification of characters The chapters in this collection examine the representation of Jewish characters in films and franchises including Superman Lord of the Rings The Mandalorian The Twilight Zone and more to shed light on the broad range of representations of the Jewish experience in popular science fiction and fantasy

Star Trek and the Tragic Hybrid Carolyn Burlingame-Goff,2024-06-06 Spock Data Worf B'Elanna Torres Seven of Nine Odo Michael Burnham Soji Many of Star Trek's most beloved characters are children of two worlds the products of competing biologies materials and cultures Their popularity is unsurprising authors mine conflicted identities for dramatic effect and viewers see their own struggles reflected in the challenges of individuals who never seem to quite fit in This book demonstrates that the tradition is not new Spock and his fellow hybrids have their roots in anti slavery literature Abolitionist authors introduced protagonists who were both Black and White yet not fully accepted as either Divided at their core the attempts of these noble yet tortured individuals to bridge their two races inevitably ended in tragedy Gene Roddenberry and his successors thrust the character type into the future using it to explore the evolving racial attitudes of their times Star Trek's tragic hybrids have asked audiences to see beyond color to embrace multiculturalism to accept mixed race identity and finally to acknowledge the consequences of systemic oppression

Receptions of the Ancient Near East in Popular Culture and Beyond Agnes Garcia-Ventura,Lorenzo Verderame,2020-03-01 This book is an enthusiastic celebration of the ways in which popular culture has consumed aspects of the ancient Near East to construct new realities The editors have brought together an impressive line up of scholars archaeologists philologists historians and art historians to reflect on how objects ideas and interpretations of the ancient

Near East have been remembered constructed reimagined mythologized or indeed forgotten within our shared cultural memories The exploration of cultural memories has revealed how they inform the values structures and daily life of societies over time This is therefore not a collection of essays about the deep past but rather about the stories we tell ourselves about ourselves
