Sword Fighting in the Star Wars Universe Nick Jamilla,2014-01-10 Unlike most makers of modern or futuristic films George Lucas turned away from the standard special operatives or secret agents when he created the heroes for his epic Star Wars saga Part knight part monk the Jedi Knights were an order of swordsmen that helped rule the universe in accordance with law and lofty principles of justice and honor Without the Jedi there could be no Star Wars and without the lightsaber sword there could be

no Jedi This examination of the Jedi Knights their adversaries the Sith and their lightsaber swordplay throughout all six episodes of the franchise evaluates the ways in which Lucas blended science fiction with the most ancient and epic tales of traditional samurai and Western swordsmen It presents swordsmanship as a way to better understand the Jedi Knights focusing on the human movement and activity surrounding the weapon and the ways in which traditional Japanese martial arts were adapted for use in the films Topics of discussion include the powerful effects of the master apprentice relationship the technical choreography used in the lightsaber scenes of the Star Wars films and the historical precedents for the Jedi order including the Sohei fighting monks of Japan the Janissaries and Mamelukes of Islam and the knights of the Templar Hospitaller and Teutonic orders

SPIRITUAL WARFARE IN THE GALAXY FAR, FAR AWAY Blake Hawkins, 2025-08-22 Spiritual warfare is a part of every Christian life The forces of evil are all around us launching attack after attack And sometimes it feels like there s no way to fight back We can t see what we re fighting and we can t physically fight a spirit anyway However spiritual warfare doesn t have to be such a mystical concept To make it all make sense we need a lens We need something to make the ethereal seem practical so that our spiritual conflict turns into something very tangible That lens is Star Wars Everyone knows about the Force and the battles between the Jedi and Sith But it s time that we look at the galaxy far far away in a new light In an unexpected way Star Wars offers Christians a blueprint for life It shows us who our enemy is It shows us his evil tactics And it shows us how we can fight back when the forces of darkness are closing in because there is a way for Christians to start understanding and winning their spiritual wars So join me as we dive into the Star Wars universe and discover that fighting our spiritual battles is actually very simple

The Star Wars Radio Dramas Maria Jose Tenuto, John Tenuto, 2024-07-18 By 1977 National Public Radio NPR was in trouble plagued by too little funding and small audiences The phenomenal success of its adaptation of Star Wars as a radio drama in 1981 gave NPR the needed ratings publicity and boost in donations that kept it afloat at exactly the time it was threatened the most Most importantly Star Wars brought a new audience to NPR As it did in theaters where George Lucas s films redefined movie making so too did NPR s Star Wars forever change the artistic world of radio drama That a radio network dependent exclusively on audio would find a lifeline in one of the most visually dynamic movies ever released is the stuff of irony Utilizing new interviews with creatives such as Anthony Daniels C 3PO Ann Sachs Princess Leia Perry King Han Solo and director John Madden and archival research this book details how an unlikely alliance of academics radio executives Lucasfilm employees actors and behind the scenes artists banded together despite the obstacles to create a unique and consequential work It is also the story of how writer Brian Daley was the fulcrum who made it all possible
