War Master S Gate Shadows Of The Apt:

War Master's Gate Adrian Tchaikovsky,2013-08-01 War Master s Gate is the ninth book in the critically acclaimed epic fantasy series Shadows of the Apt by Adrian Tchaikovsky A city makes its last stand The Empire s mighty imperial armies are marching on Collegium once more They ve learnt from past failures and this time their Empress will brook no weakness Stenwold Maker s aviators still dominate the skies but their rule will soon be over For the Empire has developed a terrifying aerial weapon to level the battlefield Yet victory may be decided elsewhere In an ancient forest where Mantis clans pursue their own civil war Empress Seda is seeking a lost power from the old world Cheerwell Maker knows she must stop her rival at any cost but their conflict could awaken something far deadlier Something that would make even their clash of nations pale into insignificance War Master s Gate is followed by the tenth and final book in the Shadows of the Apt series Seal of the Worm

The Mirror of Her Dreams Stephen R. Donaldson,2013-09-04 With The Chronicles of Thomas Covenant Stephen R Donaldson changed the face of fantasy fiction forever In The Mirror of Her Dreams the astonishing first novel in the two volume Mordant s Need series Donaldson shows us a world of wondrous beauty and seductive illusion where mirrors hold the deadliest of magics and nothing is what it seems The daughter of rich but neglectful parents Terisa Morgan lives alone in a New York City apartment a young woman who has grown to doubt her own existence Surrounded by the flat reassurance of mirrors she leads an unfulfilled life until the night a strange man named Geraden comes crashing through one of her mirrors on a quest to find a champion to save his kingdom of Mordant from a pervasive evil that threatens the land Terisa is no champion She wields neither magic nor power And yet much to her own surprise when Geraden begs her to come back with him she agrees Now in a culture where women are little more than the playthings of powerful men in a castle honeycombed with secret passages and clever traps in a kingdom threatened from without and within by enemies able to appear and vanish out of thin air Terisa must become more than the pale reflection of a person For the way back to Earth is closed to her And the enemies of Mordant will stop at nothing to see her dead “A” *Dictionary of the English Language* R.
