**Warriors of Alavna** N.M. Browne, 2011-09-05 When Dan and Ursula become lost in a thick mist they have no idea that once they step out of the other side they will find themselves in an England of thousands of years ago and embroiled in a civil war between ancient Britons and Romans Soon they will have to rely on strengths that neither of them knew they had as they battle both physical and magical enemies not only to ensure their own safety but also to try and help save the lives of the Combrogii who face the might and power of the Roman army In this powerful and sweeping epic novel survival depends on learning magical arts and respecting codes of behaviour that pre date all modern life It is a difficult world to survive in Are Dan and Ursula able to master all they need to know in time to ensure that they do not become victims of a time far harsher than any they could ever have imagined

**Warriors of Ethandun** N.M. Browne, 2011-09-05 Dan and Ursula return to the present day after months in King Arthur s England They sought a way back home for so long but now find themselves unable to cope with modern life Ursula s incredible strength and Dan s experience on the battlefield make it impossible to fit in with friends So when they have an opportunity to go back in time neither can resist They emerge in 878 AD the age of King Alfred the Great Vikings are rampaging through Britain and the King defeated and weak has retreated to the marshes Dan finds him here and he and Alfred s men begin plotting a counter attack But Dan cannot fight without Ursula Consumed by her time slip ability to wield magic she has been captured by the Vikings who now revere her as a goddess Everything hinges on Dan being able to rescue Ursula first from the Vikings then from herself This is an utterly page turning clever and action packed finale to the Warriors trilogy

**Warriors of Camlann** N. M. Browne, 2003-05-02 Dan and Ursula have once again been called through the Veil into the middle of intense political drama in ancient times Taliesin the mysterious bard they befriended in Warriors of Alavna has turned their exploits into legend convincing the War Duke Arturus that Dan and Ursula both represent the Bear of an ancient prophecy that will come to protect the people But when they come face to face with Arturus they soon realize that reality and legend are often quite different Could the War Duke actually be the legendary figure King Arthur whose deeds transcended time or is there more to the story and do they have a part to play in it Subtly and cleverly woven around Arthurian legend this is a breathtaking and action packed adventure The ALAN Review ,2002
