Before operating the unit, please read the manual thoroughly and retain it for future reference.

Features

- This microphone is suitable for various variety of applications such as use in concert or entertainment professional recording equipment (Sony RSD, DSR, etc.).
- The 360-degree Stereo System captures natural sound with two channels and stereo sound image with superb clarity.
- The stereo angle between left and right channels can be set to 90° or 180° according to the microphone.

Precautions

- The microphone should never be dropped or subjected to excessive shock.
- Keep the microphone away from extremely high temperatures and humidity (above 40°C or 104°F).
- While microphones are placed on a stand, a floating object (acoustic float) may occur. If this happens, lift the microphone up for as possible from the stand, and change the direction of the microphone or decrease the gain volume until the floating stops.
