According to the current findings, it is a more positive and less stressful life experience to be in the adult world interacting with and being taught about it, compared with having more communication and dependency on the family member and less personal involvement in the decision-making process in the adult world.

The company can be said to be successful in the sense of going to zero, but my interpretation is that it means that they do not need government or subsidies. The provision of any products and services by business is to be based on subject to the customer needs (provided it is feasible). The company will not give products if there is no demand and the customers.

It is important to note, again, that these values are in the millions of dollars. The cost of the program is more than \$100 million.
