Souvenir Program, One Hundredth Anniversary, Bethel A.M.E. Church, 1957 *Annual Report of the Boy Scouts of America* Boy Scouts of America, 1929 *The Rich Heritage of Stewart Memorial United Methodist Church* Jake Miller, 2011

Building on Wings of Faith In 1868 with the nation in general disarray following the American Civil War the Methodist Church began to form mission churches for freed Blacks in the South It was out of these mission efforts that the historically important Stewart Memorial Methodist Church was founded in 1893 Daytona Florida In 1939 when several Methodist Churches reunited and assumed the title Methodist Church Black Methodist Churches were included but they were placed in the segregated Central Jurisdiction of the Methodist Church Stewart Memorial Episcopal Church was renamed Stewart Memorial Methodist Church There was still another change to come When several Methodist based churches united in 1967 and became the United Methodist Church Stewart Memorial assumed its present name Stewart Memorial United Methodist Church Since its beginning more than forty ministers have served pastoral charges at Stewart Memorial Through the years the United Methodist Church evolved and so did Stewart Memorial but the basis foundation of Methodism was unshakable Methodism as perceived by John Wesley emphasized small group worship which was described as A company of men having the form and seeking the power of godliness united in order to pray together to receive the word of exhortation and to watch over one another in love that they may help each other to work out their salvation Making up these small groups under Wesley were those who had a desire to flee from the wrath to come and to be saved from their sins It is upon the sound foundation of Methodism as emphasized by Wesley that Stewart Memorial was founded and continues to exist *Senior Usher Board of Shiloh Baptist Church ... Anniversary [program]* Shiloh Baptist Church (Trenton, N.J.), 1980 *... Annual Program for Patriotic Exercises in Schools...*, 1913 *Downhome Gospel* Jerrilyn McGregory, 2010-10-05 Jerrilyn McGregory explores sacred music and spiritual activism in a little known region of the South the Wiregrass Country of Georgia Alabama and North Florida She examines African American sacred music outside of Sunday church related activities showing that singing conventions and anniversary programs fortify spiritual as well as social needs In this region African Americans maintain a social world of their own creation Their cultural performances embrace some of the most pervasive forms of African American sacred music spirituals common meter Sacred Harp shape note traditional and contemporary gospel Moreover the contexts in which they sing include present day observations such as the Twentieth of May Emancipation Day Burial League Turnouts and Fifth Sunday Rather than tracing the evolution of African American sacred music this ethnographic study focuses on contemporary cultural performances almost all by women which embrace all forms These women promote a female centered theology to ensure the survival of their communities and personal networks They function in leadership roles that withstand the test of time Their spiritual activism presents itself as a way of life In Wiregrass Country You don't have to sing like an angel is a frequently expressed sentiment To these women good music is God's music

regardless of the manner delivered Therefore Downhome Gospel presents gospel music as being more than a transcendent sound It is local spiritual activism that is writ large Gospel means joy hope expectation and the good news that makes the soul glad

Every Time I Feel the Spirit Timothy Nelson, 2005 Dreams and visions prophetic words from God about dusty souls speaking in tongues while in the spirit narratives of these and similar events comprise the heart of *Every Time I Feel the Spirit* This in depth study of a Black congregation in Charleston South Carolina provides a window into the tremendously important yet still largely overlooked world of African American religion as the faith is lived by ordinary believers For decades scholars have been preoccupied with the relation between Black Christianity civil rights and social activism *Every Time I Feel the Spirit* is about black
