The Franchise Craig Custance, 2024-10-15 Draft Day meets Burke's Law in this incisive and entertaining behind the scenes look at hockey's highest ranks Why do some franchises consistently win while others may never get to see their players' names etched on the Cup Why do some teams draft poorly and others draft all star teams Why do some teams just seem to know how to win In *The Franchise* The Athletic's Craig Custance delves into the stories about the people who make the biggest decisions in hockey For more than three years Custance travelled far and wide to connect with the inner circle of hockey from the owner's suite of the Carolina Hurricanes to a private championship ring ceremony with the Vegas Golden Knights to a country club for a breakdown of the Pittsburgh Penguins He had frank conversations with new Leafs GM Brad Treliving and former Leafs GM Kyle Dubas and discussed the revolution in women's hockey with three time Olympic medal winner and Devils executive Meghan Duggan For fans of any stripe there are stories behind memorable trades and the biggest free agent signings and insights into how some of the most successful teams of the last two decades were built There are never been told details about trade demands a prominent hire that one general manager regretted immediately and how one general manager risked his life to sign a player he thought could change the course of his NHL team *The Franchise* will change the way you look at hockey Custance shows that it all starts at the top not on the ice The players win but it's the people up in the box who break down every aspect of their teams execute the hard decisions and make the magic happen This is essential reading for every hockey fan who wants to get beyond the X's and O's in an absorbing testament to why teams win

Play Thing Nicola Marsh, 2018-10-01 From USA TODAY bestselling author Nicola Marsh comes book three in the Hot Sydney Nights series Charlotte Baxter always plays it safe but a sizzling encounter with a mysterious stranger might just change her cautious ways I always preferred the romantic heroes in my books to the real life creeps in bars and on dating apps Steamy affairs were things that happened to other people not boring accountants like me until I met him I was helping at my aunt's sex toy business and tried on some kinky lingerie in a moment of daring That's when he came in I was horrified but the lust in his eyes sparked a burning desire I'd never felt before One thing led to another and soon we were getting very raunchy in the warehouse doing things I'd only fantasized about Imagine my horror when I arrived at work the next morning to discover my mysterious stranger was none other than my detestable new boss Alexander Bronson who was taking a rare break from traveling to check on the office He's the last man I'd usually go for a power hungry jet setting playboy with no taste for the quiet life but I can't stop thinking about that thrilling encounter Despite his teasing at work he's made it clear he wants more I'm torn This feels too impulsive too racy It's just a game to him but perhaps a bad boy is exactly the kind of man I need to get over and under before I settle down
