Fieldwork and Supervision for Behavior Analysts Ellie Kazemi, Peter Adzhyan, Brian Rice, 2024-09-04 The ultimate comprehensive and competency-based approach to effective supervision of behavior analysts. Now in its second edition, serves as a practical guide for both supervisors and supervisees in behavior analysis, offering step-by-step strategies, activities, and case scenarios to support professional growth. Grounded in over 35 years of combined experience and research, it provides tools for navigating supervision with a focus on ethics, cultural responsiveness, and competency-based development. The book aligns with the Board Certified Behavior Analyst Test Content Outline 6th ed and introduces author-developed competencies in its latter half. Each competency includes activities tailored to varying skill levels, promoting personalized growth. Overall, this book empowers supervisees to take ownership of their development while equipping supervisors with effective resources.

What's New: Expanded guidance on strengthening the supervisor-supervisee relationship. Integrated compassionate care and trauma-informed practice. Updated supervision content to reflect new research and literature.

Key Features: Step-by-step guides for running supervision meetings streamline the process for supervisors and empower supervisees to take control of their own development. Emphasis on the supervisee's experience enhances outcomes by addressing the interdependent nature of the supervisor-supervisee relationship. Practical activities, case scenarios, and meeting templates provide tangible resources for supervisors to tailor supervision to individual needs. Competencies are broken down into different skill levels, allowing for targeted development and increased individualization. Written by seasoned professionals with over three decades of supervisory experience in different contexts, offering unparalleled expertise and perspective.
