Remote Workforce Training: Effective Technologies and Strategies Hai-Jew, Shalin, 2014-02-28 Lifelong learning can occur both in and out of the classroom but the most valuable instruction takes place on the job. Remote Workforce Training: Effective Technologies and Strategies investigates methods, techniques and systems used in employee training programs. The tools and technologies surveyed within these pages will help employers take their workers beyond the transient skill sets offered by university degrees and into a constant state of learning and practice that will enhance both their productivity and technical abilities on a regular basis. In particular the knowledge offered by this reference book will be of use to educators and students as well as managers, leaders, administrators and personnel.
