Vaclav Lena A Novel:

Vaclav & Lena Haley Tanner, 2011-05-17 NAMED BY THE NATIONAL BOOK FOUNDATION AS A 5 UNDER 35 AUTHOR
Vaclav and Lena seem destined for each other. They meet as children in an ESL class in Brighton Beach Brooklyn. Vaclav is precocious and verbal. Lena, struggling with English, takes comfort in the safety of his adoration, his noisy loving home, and the care of Rasia, his big-hearted mother. Vaclav imagines their story unfolding like a fairy tale or the perfect illusion from his treasured Magician's Almanac. But one day Lena does not show up for school. She has disappeared from Vaclav and his family's lives as if by a cruel sleight of hand. For the next seven years, Vaclav says goodnight to Lena without fail, wondering if she is doing the same somewhere. On the eve of Lena's seventeenth birthday, he finds out. In *Vaclav & Lena*, Haley Tanner has created two unforgettable young protagonists who evoke the joy, the confusion, and the passion of having a profound, everlasting connection. Look for special features inside. Join the Random House Reader's Circle for author chats and more. Praise for *Vaclav & Lena*: "Wonderful and wrenching. Vibrant characters, believable romance, and dark undertones make for a moving tale." *The New York Times*. "From the moment they meet, Vaclav and Lena make magic together. Through all the twists and turns of the book, the most enduring theme of the novel is love." *NPR*. Haley Tanner's assured narrative voice finds new ways to describe emotion and character, stunning the reader again and again with small shocks of awareness. This book is sad, funny, true, and shot through with grace. *Judy Blundell*, National Book Award-winning author of *What I Saw and How I Lied*. Highly recommended. Tanner's captivating debut novel is a love story of unusual innocence and intensity and a suspenseful literary work that is hard to put down. *Library Journal*. A debut to savor. Tanner's charming story unfolds as gracefully as a flower. People: The magic Tanner makes is as dazzling as it is profound. *Booklist*. **Vaclav & Lena** Haley Tanner, 2011-05-17. Vast and diverse Brooklyn is often portrayed in literature as a place of traditional community values and face-to-face relations distinct from anonymous, capital-driven Manhattan. Brooklyn Fictions discovers what such representations of the New York borough can teach us about diversity and the individual, the local, and the global. Combining analysis of popular texts such as Sister Souljah's *The Coldest Winter Ever* with more canonical novels such as Jonathan Lethem's *The Fortress of Solitude*, this study draws on the work of a variety of theorists on community and globalization and uses Brooklyn as a case study for an exploration of the complex relationship between romantic ideals of community and global economic forces. With cities often depicted as sites of conflict and fear, this is a

crucial contribution to our understanding of the contemporary urban community and the ethical issues involved in conceptualizing and portraying it in literature

Novel Competition Evan Brier, 2024-04-16 Novel Competition describes the literary and institutional effort to make the American novel matter after 1965 During this era Hollywood movies popular music and other forms of mass produced culture vied with novels for a specific kind of prestige often figured as importance or relevance that had mostly been attached to novels in previous decades This trans media competition Brier argues is a crucial but largely unacknowledged event in the literary and economic history of the American novel In the face of it the novel lost some of the symbolic specialness it formerly held That loss in turn generated not just a much discussed rhetoric of crisis but also a host of unexamined intertwined effects on both literary form and the business of novel production Drawing on a range of novels and on the archives of publishers editors agents and authors Novel Competition shows how fiction's declining position in a transformed popular prestige economy reshaped the post 1965 American novel as art form cultural institution and commodity

Lentz III, 2001-08-07 This is a filmography in two volumes of not only all of the English language movies made during the 1960s that had a U S theatrical release but major foreign films exhibited in the United States as well The following information is provided for each film year of release nation of origin if other than the U S production or distribution company black and white or color running time genre production credits cast and characters and a brief synopsis This turbulent decade is unusually interesting in the history of cinema Those films released in the early part of the decade were similar to those of the 1950s but as the years passed the offerings changed in many ways Family

Constellations in Contemporary Ibero-American and Slavic Literatures Anna Artwińska, Ángela Calderón, Jobst Welge, 2024-10-07 This volume examines Ibero American as well as Slavic literatures of the 21st century and studies how historical imaginaries in family narratives are functionalized for both individual and collective and post national identities The analysis proceeds along three conceptual axes What these narratives have in common is that they construct specific constellations of the historical imagination and of family whereby family is here conceived not so much as an organic micro unity but rather as changing multiple relations between individual members godparents first and second degree relatives non blood related family members present and absent members adopted children etc Furthermore these novels are often grounded in trans generational memories They are written by members of a generation that as a rule did not directly experience these historical events It is also significant that these narratives are no longer conceived as representing national identities but paradigmatically speak for a collective that defines itself in regional ethnic religious or ideological terms It seems therefore that these narratives of family constellations are in need of more flexible typological rubrics and interpretive frameworks Intended as a sustained comparative study of these family narratives this volume is a contribution in understanding how historical caesura experiences and their literary representation work on the self understanding of the present Britannica Book of the Year 2012 Encyclopaedia Britannica, Inc., 2012-03-01 The Britannica Book of the Year 2012 provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations governments and economies throughout the world It is an accurate and comprehensive reference that you will reach for again and again

perhaps his last chance to share it to his beloved wife Ingrid circling ever closer to the truth about those events and his own part in them and revealing the perhaps unforgivable violence done to the brothers bond The dream of ski jumping haunts Jon as his tale unfolds daring time to stop just long enough to stick the landing As thrilling as those soaring flights as precarious as the Bargaard family s complicated love as tender as Jon s backward gaze while disease takes him inexorably forward Peter Geye s gorgeous prose brings the brothers to the precipice of their relationship where they have to choose each other or the secrets they ve held so tightly for so long
