Uglies Cutters Uglies Graphic Novel 2 Scott Westerfeld:

Uglies: Cutters (Graphic Novel) Scott Westerfeld, Devin Grayson, 2012-12-04 Experience the riveting dystopian Uglies series seen as never before through the eyes of Shay Tally Youngblood's closest and bravest friend who refuses to take anything about society at face value From the moment we are born we are considered threats in need of special management We are watched and shaped and exploited by a force most of us never see All to keep us safe Do you feel safe Or do you feel like you're in a cage Shay In Pretties Tally Youngblood and her daring best friend Shay both underwent the operation that turned them from ordinary Uglies into stunning beauties Now this thrilling new graphic novel reveals Shay's perspective on living in New Pretty Town and the way she sees it there's more to this so-called paradise than meets the eye With the endless parties and custom-made clothes life as a Pretty should be perfect Yet Shay doesn't feel quite right She has little to no memory of her past it's as if something in her brain has inexplicably changed When she reunites with Tally and the Crims her rebellious group of friends from Uglyville she begins to recall their last departure to the wild and the headstrong leader she used to be And as she remembers the truth about what doomed their escape Shay decides to fight back against the status quo against the mysterious Special Circumstances even against her own best friend *The Sidekick Comes of Age* Stephen M. Zimmerly, 2019-04-09 Literary sidekicks like Dr Watson and Robin the Boy Wonder have not been the singular subject of a significant critical study until now Using young adult literature YA to study the sidekick reveals new and exciting ways to understand these kinds of characters and this kind of literature YA has embraced the sidekick recognizing the way the character reflects the importance of growth and finding one's place in the world The nature of many YA texts allows sidekicks to grow beyond literary or historical origins This includes letting sidekicks evolve over the course of multiple texts using parallel novels to add complexity to a sidekick's characterization and telling a story from the sidekick's perspective paradoxically making the sidekick the hero A singularly focused and prolonged study helps to establish sidekick scholarship as a burgeoning field in and of itself **Uglies, The Collector's Set** Scott Westerfeld, 2009-10-06 Scott Westerfeld's bestselling Uglies series in a collectible paperback boxed set
