The 6F 7F Furlong Hope Horse Lay System

M C Horrocks, I have deliberately kept all the waffle to a

minimum in the eBook and have only focused on the horse laying system essentials as this is the important bit What I suggest

is that you make yourself familiar with the lay system before you start placing lay bets trades However you could try with

small stakes first so as not to miss out The eBook assumes you are familiar with laying horses as compared to backing horses

and understand decimal odds on betting exchanges like Betfair What You Need To Get Started A good understanding of

Betting exchanges like Betfair and Betdaq and decimal odds More importantly understanding what laying a horse means

When we lay a horse we are saying that we think the horse will get beaten Most people back horses to win You will need

access to the internet and the Betfair Exchange website <https://www.betfair.com> or Betdaq exchange <https://www.betdaq.com>
