Un Report On Human Rights:

Human Rights and the UN Universal Periodic Review Mechanism Damian Etone, Amna Nazir, Alice

Storey, 2024-02-27 The Universal Periodic Review UPR is a peer review mechanism reviewing all 193 UN Member States protection and promotion of human rights After ten years of the existence of the UPR mechanism this collection examines the effectiveness of the UPR theoretical and conceptual debates about its modus operandi and the lessons that can be drawn across different regions states to identify possible improvements The book argues that despite its limitations the UPR mechanism with its inclusive cooperative and collaborative framework is an important human rights mechanism with the potential to evolve over time into an effective cooperative tool for monitoring human rights implementation Divided into three parts the first part focuses on exploring a variety of theoretical approaches to understanding the UPR mechanism The second part examines specific human rights themes and the relationship between the UPR mechanism and other international mechanisms Finally the third part questions implementation and the ways in which states regional groupings have engaged with the UPR mechanism and what lessons can be learned for the future The volume will be a valuable resource for researchers academics and policymakers working in the area of international human rights law international organizations and international relations We would like to acknowledge the UPR Academic Network UPRAN for bringing together the experts on this project and the University of Stirling for providing funds to facilitate open access dissemination for parts of this output The Introduction and Chapter 6 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

The United Nations System for Protecting Human Rights Dinah L. Shelton, 2016-12-05 The United Nations has been at the forefront of developing the international law of human rights for nearly seven decades This volume brings together the leading research articles on the development of human rights law by the United Nations and also includes essays on issues relating to standard setting institutional evolution and the creation of monitoring procedures

The Right to Reparation in International Law for Victims of Armed Conflict Christine Evans, 2012-06-28 In this evaluation of the international legal standing of the right to reparation and its practical implementation at the national level Christine Evans outlines State responsibility and examines the jurisprudence of the International Court of Justice the Articles on State Responsibility of the International Law Commission and the convergence of norms in different branches of international law notably human rights law humanitarian law and international criminal law Case studies of countries in which the United Nations has played a significant role in peace negotiations and post conflict processes allow her to analyse to what extent transitional justice measures have promoted State responsibility for reparations interacted with human rights mechanisms and prompted subsequent elaboration of domestic legislation and reparations policies In conclusion she argues for an emerging customary right for individuals to receive reparations for serious violations of human rights and a corresponding responsibility of States

International Crimes: Volume I:

Genocide Guénaël Mettraux, 2019-06-18 Judge Mettraux's four volume compendium *International Crimes Law and Practice* will provide the most detailed and authoritative account to date of the law of international crimes. It is a scholarly tour de force providing a unique blend of academic rigour and an insight into the practice of international criminal law. The compendium is unrivalled in its breadth and depth, covering almost a century of legal practice, dozens of jurisdictions, national and international thousands of decisions and judgments and hundreds of cases. This first volume discusses in detail the law of genocide, its definition, elements, normative status and relationship to the other core international crimes. While the book is an invaluable tool for academics and researchers, it is particularly suited to legal practitioners, guiding the reader through the practical and evidential challenges associated with the prosecution of international crimes.

International Crimes Guénaël Mettraux, 2019 This book discusses in detail the law of genocide, its definition, elements, normative status and relationship to the other core international crimes. It is the first in a four volume compendium from Judge Mettraux on the four core international crimes. *Hague Yearbook of International Law / Annuaire de La Haye de droit international, Vol. 32 (2019)*

Jure Vidmar, Ruth Bonneville-Kok, 2021-12-28 The aim of the *Hague Yearbook of International Law* is to offer a platform for review of new developments in the field of international law. In addition, it devotes attention to developments in the international law institutions based in the international City of Peace and Justice, The Hague. As of the 2010 Volume, the Yearbook has been compiled by a new and expanded Editorial Board, offering fresh ideas and a new approach. A newly established Advisory Board has also been added, including leading judges, practitioners and scholars. Sections have been created on public international law, private international law, international investment law and international criminal law, containing in-depth articles on current issues. The breadth of the Yearbook's content thus offers an interesting and valuable illustration of the dynamic developments in the various sub-areas of international law.

The United Nations Convention Against Torture and Its Optional Protocol Manfred Nowak, Moritz Birk, Giuliana Monina, 2019 This second edition of *The United Nations Convention Against Torture: A Commentary* provides an updated analysis of all substantive, organizational and procedural provisions of the Convention and its Optional Protocol, ensuring that the volume continues to serve as a comprehensive guide for researchers and practitioners alike. *The Right to Development and International Economic Law*

Isabella D Bunn, 2012-03-01 The United Nations is commemorating the 25th anniversary of the 1986 Declaration on the Right to Development, which proclaimed the right to be an inalienable human right by virtue of which every human person and all peoples are entitled to participate in, contribute to and enjoy economic, social, cultural and political development in which all human rights and fundamental freedoms can be realized. The UN now aims to mainstream the right into its policies and operational activities and is reviewing prospects for an internationally binding legal instrument. The evolution of the right to development, however, has been dominated by debates about its conceptual validity and practical ramifications. It has been hailed as the cornerstone of the entire human rights system and criticized as a distracting ideological initiative. Questions

also persist about the role of the right in reforming the international economic order This book examines the legal and moral foundations of the right to development addressing the major issues It then considers the right to development in the global economy noting the challenges of globalization and identifying key principles such as differential treatment of developing countries participation and accountability It relates the right to broad objectives such as the Millennium Development Goals the human rights based approach to development and environmental sustainability Implications for international economic law and policy in the areas of trade development finance and corporate responsibility are assessed The conclusion looks to the legal and ethical contributions and limitations of the right to development in this new context With an academic and professional background in international law human rights and moral theology the author brings a unique interdisciplinary focus to this timely project

The 2010 Nagoya Protocol on Access and Benefit-sharing in Perspective Elisa Morgera, Matthias Buck, Elsa Tsiumani, 2012-11-21 The Nagoya Protocol on Access and Benefit sharing is an innovative multilateral environmental agreement that has significantly developed the international biodiversity regime In addition it has considerable implications for the rights of indigenous peoples and local communities for research and commercial development activities in various sectors as well as for food security health trade oceans and development cooperation A prestigious group of international experts analyses the implications of the Nagoya Protocol for different areas of international law and its implementation challenges in various regions or of a cross cutting nature The volume thus combines the perspectives of legal scholars and of stakeholders involved in the negotiations of the Protocol and the preparations towards its entry into force

Globalizing Justice for Mass Atrocities Chandra Lekha Sriram, 2013-05-13 This major new study examines the developing practice of universal jurisdiction as well as the broader phenomenon of globalizing justice and its ramifications With a detailed overview of the contemporary practice of universal jurisdiction it discerns three trends at work pure universal jurisdiction universal jurisdiction plus and non use It also argues that these disparities in practice should raise serious concerns as to the legitimacy and perceived legitimacy of such globalized justice It then turns to a further consideration that of globalized justice precisely because it takes place far from the locus of the crime and is therefore externalized and may fail to achieve many of its putative goals In addition this is a key assessment of civil accountability through the use of the Alien Tort Claims Act in the United States It details how the use of civil penalties may offer new avenues for redress particularly with relation to group accountability whether that of armed groups or of corporations However it balances this approach to accountability with recognition of certain flaws within externalized criminal accountability This study also focuses on mixed tribunals or other methods of internationalized justice as viable alternatives which may avoid some of the problems with external justice but are themselves far from perfect Mixed or hybrid tribunals in East Timor and Sierra Leone represent different models of hybrid justice and provide the reader with excellent examples of these new forms of justice in action This book will be of great interest to all students and scholars of human rights

international law and political science *The Oxford Handbook of the Responsibility to Protect* Alex Bellamy, Tim Dunne, 2016-06-30 The Responsibility to Protect R2P is intended to provide an effective framework for responding to crimes of genocide ethnic cleansing war crimes and crimes against humanity It is a response to the many conscious shocking cases where atrocities on the worst scale have occurred even during the post 1945 period when the United Nations was built to save us all from the scourge of genocide The R2P concept accords to sovereign states and international institutions a responsibility to assist peoples who are at risk or experiencing the worst atrocities R2P maintains that collective action should be taken by members of the United Nations to prevent or halt such gross violations of basic human rights This Handbook containing contributions from leading theorists and practitioners including former foreign ministers and special advisors examines the progress that has been made in the last 10 years it also looks forward to likely developments in the next decade **US Foreign Policy on Transitional Justice** Annie R. Bird, 2015-03-04 Despite the diverse interests of Presidents Congress and the State Department this book argues that US foreign policy on transitional justice is surprisingly consistent characterized by an approach that is value driven strategic and retributive and that has influenced the field as a whole **Alien Citizens** Ramazan Kiliç, 2019-10-10 Examines how international context and domestic politics interact in producing state policies toward religious minorities in Turkey and France *International Law and Contemporary Global Challenges* Max Hilaire, 2024-03-18 This book simultaneously sheds light on the most pressing global challenges facing humanity in the 21st century and pays tribute to President Vaclav Havel of the Czech Republic who had a great impact on the transformation of world politics in the 20th century It examines in detail contemporary international issues such as climate change mass migration refugees internal armed conflicts great power rivalry and regional political instability It also underscores the increasing inability of the Westphalian model to solve complex transnational problems and calls for a new approach Included as a postscript is an extensive analysis of the resurgence of dictatorial regimes in many regions of the world and their attempt to undo the rules based international order established after World War II This trend is a setback for those who fought tirelessly to end the Cold War and to spread freedom and democracy to millions of people across the globe Today that legacy is being challenged by autocratic regimes that see respect for human rights as a threat to their political survival International law is what unites us as citizens of the world and only through international law and multilateral cooperation can we address the global challenges examined in this book **Cote D'Ivoire Post-Gbagbo** Nicholas Cook, 2012-10-21 Cote d'Ivoire is emerging from a severe political military crisis that followed a disputed November 28 2010 presidential runoff election between former president Laurent Gbagbo and his former Prime Minister Alassane Ouattara Both claimed electoral victory and formed opposing governments Their rivalry spurred a full scale civil military conflict in early March 2011 after months of growing political violence Armed conflict largely ended days after Gbagbo's arrest by pro Ouattara forces aided by United Nations U N and French peacekeepers but limited residual fighting was continuing to occur

as of April 20 Internally Displaced People Janie Hampton, 2014-10-14 The number of internally displaced people far outnumbers estimated refugees who have fled their countries The majority of displaced populations survive with very little security or legal protection Responding to the needs of internally displaced people is one of the greatest humanitarian challenges of our time Revised and updated from the first edition this volume includes information on internal displacement in 47 different countries across the globe that is to say all countries experiencing conflict induced displacement at the time of publication There is discussion of the causes of displacement patterns of flight protection concerns and international response

The United Nations, Peace and Security Ramesh Thakur, 2006-06-08 Preventing humanitarian atrocities is becoming as important for the United Nations as dealing with inter state war In this book Ramesh Thakur examines the transformation in UN operations analysing its changing role and structure He asks why when and how force may be used and argues that the growing gulf between legality and legitimacy is evidence of an eroded sense of international community He considers the tension between the US with its capacity to use force and project power and the UN as the centre of the international law enforcement system He asserts the central importance of the rule of law and of a rules based order focused on the UN as the foundation of a civilised system of international relations This book will be of interest to students of the UN and international organisations in politics law and international relations departments as well as policymakers in the UN and other NGOs

Africans in Diaspora and Diasporas in Africa Bulus Galadima, Sam George, 2024-09-14 Africans are on the move They are moving within their nations across the continent and around the world This is not a new phenomenon From the days of historic slavery to modern times Africans in pursuit of education jobs business and safety have created a vibrant global diaspora Whether voluntarily or forcibly displaced they carry their values of spirituality community and hospitality wherever they go As the largest Christian continent in the world African Christianity is inevitable in diasporic discourses This collection of essays from leading scholars and seasoned practitioners reveals the journeys of modern African diasporas from a Christian perspective Timely and unprecedented it reveals how God moves with African people making himself known amongst them and through them

Commissions of Inquiry Christian Henderson, 2017-05-18 This timely and pertinent collection looks at the variety of questions involved in the operation of Commissions of Inquiry CoIs Traditionally existing as pure fact finding bodies in recent times the function of CoIs has arguably shifted and broadened so as to provide a form of legal adjudication This shift in their application merits scrutiny and this edited collection of essays addresses institutional and procedural aspects of CoIs as well as issues in regards to the application and interpretation of the substantive law applied to them Essay topics include the relationship of CoIs with and impact upon traditional forms of adjudication the influences of international law upon the work of CoIs through to issues of procedural fairness Drawing upon the expertise of scholars working within in the field it offers an insightful and critical analysis of CoIs
