3. Background

a. The capability of the Marine Corps to participate in amphibious operations/carrier deployments is significantly influenced by the presence of well-trained LSO's aboard the aircraft carriers involved in the operation. As a part of the Navy/Marine amphibious task force, the Marine Corps shares the responsibility of providing a proportionate number of naval aviators trained as LSO's. Because of the long, arduous, and costly period of training, naval aviators volunteering for LSO training/assignments must be highly motivated and career oriented. Compliance with instructions contained herein should ensure the Marine Corps maintains sufficient numbers of well-trained LSO's to meet Fleet Marine Force (FMF) requirements.

Usmc After Action Report:

The Marine Corps and the State Department Leo J. Daugherty III, 2009-04-22 This work is a complete history of the partnership between the Department of State and the United States Marine Corps From its formation in 1775 the Corps developed a close working relationship with the diplomatic service of the Continental Congress and later in 1798 with the newly created United States Department of State The Marines accompanied U S diplomats to France in 1778 and worked closely with the State Department during the Barbary Wars and the opening of China In 1905 an executive order by Theodore Roosevelt established a Marine Legation Guard and the Corps played an increasingly important role in embassies across the globe Today the war on terrorism highlights this important relationship as Marines guard some of the most dangerous embassies in the world

The Battle for Khe Sanh (Illustrations) Moyers S. Shore, In the extreme northwestern corner of South Vietnam there stands a monument to the free world Unlike those which commemorate the victories of past wars this one was not built on marble or bronze but the sacrifices of men who fought and died at a remote outpost to halt the spread of Communism This is the story of those men the defenders of Khe Sanh and the epic 77 day struggle which not only denied the North Vietnamese Army a much needed victory but reaffirmed to the world the intention of the United States to hold the line in Southeast Asia In addition to having been a contest of men and machines this was the test of a nation's will As a history this work is not intended to prove any point but rather to record objectively the series of events which came to be called the Battle of Khe Sanh These events spanned a period from April 1967 to April 1968 The rationale for the buildup along the Demilitarized Zone and the commitment to hold the small garrison is presented as a logical extension of the three pronged strategy then employed throughout I Corps and the rest of South Vietnam this balanced campaign included pacification programs counter guerrilla activity and large unit offensive sweeps Although isolated the Khe Sanh Combat Base was a vital link in the northern defenses which screened the Allied counterinsurgency efforts in the densely populated coastal plains from invasion by regular divisions from North Vietnam By obstructing this attempted invasion American and South Vietnamese forces at Khe Sanh provided a shield for their contemporaries who were waging a war for the hearts and minds of the people in the cities villages and hamlets farther to the south In the process a reinforced regiment the 26th Marines supported by massive firepower provided by the Marine and Navy air arms the U S Air Force and Marine and Army artillery defended this base and mangled two crack North Vietnamese Army divisions further illustrating to Hanoi the futility of its war of aggression Later after the encirclement was broken and additional U S forces became available the Allies were able to shift emphasis from the fixed defense to fast moving offensive operations to control this vital area astride the enemy's invasion route In these operations our troops thrust out to strike the enemy whenever he appeared in this critical region This shift in tactics in the spring of 1968 was made possible by favorable weather the buildup of troops helicopters and logistics that had taken place during the winter of 1967-68 An additional factor was the

construction of a secure forward base across the mountains to the east of Khe Sanh from which these operations could be supported The Khe Sanh Combat Base then lost the importance it had earlier and was dismantled after its supplies were drawn down since it was no longer needed The strategy of containing the North Vietnamese Army along the border remained the same but revised tactics were now possible But in 1967 and early 1968 neither troops nor helicopters logistics nor the forward base were available to support the more aggressive tactics The enemy lunged into the area in force and he had to be stopped The KSCB with its airstrip was the pivotal point in the area from which Allied firepower could be directed and which the enemy could not ignore It was here that the 26th Marines made their stand This study also provides insight into the mechanics of the battle from the highest echelon of command to the smallest unit In addition appropriate coverage is provided to the supporting arms and the mammoth logistics effort which spelled the difference between victory and defeat While this is basically a story about Marines it notes the valiant contributions of U S Army Navy and Air Force personnel as well as the South Vietnamese

Counterinsurgency and the United States Marine Corps Leo J. Daugherty III, Rhonda L. Smith-Daugherty, 2018-02-08 Volume 2 continues the history of the U S Marine Corps involvement in small wars after World War II beginning with advisory efforts with the Netherlands Marine Corps 1943 1946 The authors describe counterinsurgency efforts during the Korean War 1950 1953 the development of vertical assault tactics in the late 1940s 1950s and 1960s counterinsurgency in Southeast Asia 1962 1975 involvement in Central America 1983 1989 and present day conflicts including the War on Terror and operations in Iraq and Libya

Guam James H. Hallas, 2025-03-18 From the award winning
