Motorcycle DK, 2025-04-10 Discover the gripping action packed history of the motorcycle from the earliest gasoline powered two wheelers to the blistering superbikes of today. Tracing the history and allure of the motorcycle, this book illustrates the diverse spectrum of bikes from the earliest prototypes to battery powered machines of the modern age. It showcases motorcycles in all their forms from humble scooters that offer mobility to the masses, the scramblers and racers that delight enthusiasts to the iconic choppers and cruisers that can cross continents. Motorcycle tells the fascinating stories behind the world's leading manufacturers, the roles played by their influential designers and engineers and their milestone models. It not only charts the technological developments of motorcycles but also the cultural backdrop against which the various models arose and their impact on society as objects of curiosity, affordable means of transportation, symbols of rebellion or the first choice for full throttle action on the road, trail or track. Fully updated to include the latest models from around the world and cutting edge innovations, this new edition features over 1,000 must see machines with models from A to Z. It is the ideal read for motorcycle and motorsport enthusiasts whether they're a biker themselves or an armchair devotee.
