William Swan Sonnenschein,1896 *Introduction to the Study of Video Game Music* Alyssa Aska,2017 This text is intended
to serve as an introduction to the study of video game music It was initially conceived as a companion to an introductory
video game music course that takes a multi faceted survey approach to the material Therefore this text can be used in
accompaniment with an academic setting It can also be useful for anyone that is generally interested in learning about video
game music but does not have a very solid musical or technical foundation As it was intended to accompany a course in
which non music majors could freely enrol the text is accessible to nearly everyone and covers the topic of video game music
very generally
