User Manual Zoraki 914:

The Theatrical Firearms Handbook Kevin Inouye, 2014-05-30 The Theatrical Firearms Handbook is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen. This book establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade. Within these pages are practical instruction couched in the language of theatre and film making firearms technology and concepts approachable to dramatic artists without any dumbing down of the subject material. It contains over 100 illustrations. This handbook is equally at home within the worlds of academic training, professional performance and independent or community theatre and video productions and is an invaluable resource for fight choreographers, props designers, backstage crew, directors, actors, stage managers and more at all levels of experience.

Clearing The Dark Hania Allen, 2019-01-10 Refreshing. I look forward to reading more. Alex Gray First rate Sunday Sport. When it comes to murder there's no such thing as a coincidence. When DI Dania Gorska is called to investigate the shooting of a young man on a Dundee street, the nail hammered into his forehead suggests that local gangster Archie McLellan has left his calling card. Clues point to his involvement in an illegal replica firearms venture, a scam that may include other members of the infamous McLellan family. The chance discovery of human remains buried in the grounds of Breek House, once owned by the McLellans, convinces Dania the two cases must be related. But who was the mysterious tenant of Breek House at the time the bodies were put into the ground? Identifying them is complicated as all the teeth have been removed post mortem to prevent identification. Or was the back room at Breek House used by the McLellans as a torture chamber? As Dania moves closer to discovering what went on at Breek House, she disturbs dangerous secrets from the past which threaten the lives of those in the present. Praise for Hania Allen: A fresh new find for crime fans. Sunday Post. Nicely nasty in all the right places. The story rattles along until bringing the curtain down with an unnerving twist. Craig Robertson. Captivating characters and an intriguing plot. A great new find for crime fans. Lin Anderson. Pitch perfect, a witty tense crime novel written in a highly readable style. Russel D McLean.
