Enlow, 2006-01-01 Church Usher Servant of God A Concise Ministry Manual Updated Edition by David R Enlow is a brief concise book 68 pages in length that give the church a good look at an often overlooked vital ministry within the church In the past the role of the church usher has often been underestimated by church leadership Anyone can help do this job some say Proven methods of effective ushering is a concept but the ministry of ushering takes on new dignity and in this practical and biblically based study prepared in consultation with ushers from small to large churches Church Usher Servant of God may be used as a self improvement study for individuals or taught in a class setting Head ushers will find it an excellent reference tool for the execution of their duties for their team Each short chapter ends with a summary and thought provoking questions to stir discussion and to help with further study

Ushering with a Mission VICTOR L. DAVIS, 2012-10 As we enter our church the first person we often see is the usher While many may look at the position of usher as simply a social one it can be so much more In Ushering with a Mission author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training manual addressed techniques ushers should use in carrying out those duties Davis s Ushering with a Mission goes a step further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is not something we simply do because It s our Sunday to usher We do it because it is a lifestyle resulting from the overflow of the Spirit filled life Ushering with a Mission stresses the importance of Bible study prayer and personal evangelism with nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ

Church Usher's Manual Clyde Jackson, 2016-12-20 Church Usher s Manual A Systematic Approach to Church Ushering by Clyde Jackson Church Usher s Manual A Systematic Approach to Church Ushering has prayerfully been written for the specific purpose of giving a clear insight into how to effectively serve as a church usher Please be advised that nothing in this book takes the place of any instructions your pastor might have given you related to ushering in your church As you study this book you will learn that at no time should a parishioner walk the aisle looking for seats Assign them immediately Ushers should be alert at all times This book if necessary can be used in conjunction with any other church ushering materials

Usher's Manual Alfred DeWayne Hill, Sr., 2011-01-31 This is an usher s manual to be used in the Negro churches of the United States Dr Hill demonstrates how contemporary ushering in the Negro church is preceded by the Biblical Porter of the Old Testament and that this work

was performed by a Levitical Priest Thus the work of the usher in the church is akin to allowing entrance into the Holy Place wherein dwells the presence of God The Greeter and Usher Handbook Yvonne Gentile,2020-05-19 An update to 2005 s
The Usher s Book Creating a Welcoming and Safe Environment for Worship The Greeter and Usher Handbook provides a guide to the responsibilities of those who are generally the first faces visitors encounter in church the usher and the greeter
Intended for training use by church staff or volunteers the text covers responsibilities related to all aspects of creating a welcoming atmosphere for visitors and new members **A Manual for Ushers** Gladys Alexander Jennings,1990*

Church Ushers Manual - A Handbook for Church Ushers and All Others Who Would Promote the Spirit of Fellowship in the House of God Willis O. Garrett,2007-03 A guide from the late 19th century instructing people in the etiquette of the church Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork Usher's Manual Alfred Dewayne Hill,1998-12 **The Art of Becoming Ushers and Greeters of Excellence** Rick Gillespie-Mobley,2016-12-23 The goal of this book is to produce excellence in your usher and greeter ministry if your ministry is already established If you are just starting as a church this book provides teaching and instruction for ushers and greeters as well as providing insight and solutions to problems that are going to arise in the life of the church It provides examples of how different churches handle different situations so that you can choose the method which will be most effective for you This book is helpful for any usher and greeter to read so as to become more effective in the ministry God has for them Ushers and greeters are very important in the life of the church The better trained they are the better position the church will be in to grow by retaining more of the guests who visit the church *The Complete Local Church Usher's Handbook* Buddy Bell,1996 Church Ushers Manual - A Handbook for Church Ushers and All Others Who Would Promote the Spirit of Fellowship in the House of God Willis O. Garrett,2013-01-04 A guide from the late 19th century instructing people in the etiquette of the church Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork A Practical Guide for Church Ushers & Greeters Joseph Brewer,2021-01-21 What is an usher He is the can do will do go to guy for his pastor during the services at his church He sets aside his personal desires to serve his pastor the congregation and the guests in attendance He is the smile and extended hand of welcome as you enter the doors to his church He s the guy ready with the answers to your questions or he knows where to get the answers The professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building He s the watchman at the gate keeping an eye out for dangers He has a plan for when unforeseen circumstances arise He is prepared to act decisively when called upon He s the man who will show you to your seat and is entrusted to take up the offering The decision to write this booklet came from the careful study of the

somewhat antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers but my search came up lacking While these handouts and books were great literature they did not quite offer the depth that I was looking to give to my ushers Through this search I found some to be more ritual than helpful while others were very heavy on the theology of ushering and church boards but less practical I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher I wanted to find a book that speaks more directly to the reader Since my search result came up empty I decided to write one myself I approach this subject from over twenty years of ushering experience and thirteen years as a head usher I also draw from my twenty five years of working in industrial construction as what is called a Millwright and for a time as an Ironworker During most of my time working in construction I was the foreman on the job Years later I would take from these experiences and apply them in my role being the head usher of my church After more than twenty years of being involved with various ministries in my church all the while being a greeter and an usher I can tell you that in my opinion and experience being a greeter or being an usher is one of the most important ministries you can take part in at your church Being an usher and or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way It can also be frustrating heartbreaking and at times very intense I have been the head usher in my church since 2007 I m in charge of ushering greeting and security I get to see many aspects of the ministry from various perspectives and I will touch on all three areas in this book My life verse is Psalms 84 10 It reminds me every day of where I want to be in my life and why I do what I do For a day in Thy courts is better than a thousand I had rather be a doorkeeper in the house of my God than to dwell in the tents of wickedness Psalms 84 10 KJV
