It provides rigorous psychometric assessments of ability with outstanding candidate friendliness. Both the verbal and numerical tests relate to reference material in the form of Media Packs for an environmental magazine ('Utopia'). Both have been designed to be interesting, topical, upbeat and easy to relate to, with no prior knowledge of environmental issues or the media required.

- Reference Material - includes circulation figures, cover prices, advertising rates and results from a readership survey
- Multiple-choice answer format
- Candidates may use a pocket calculator during the test
