Kujawa-Holbrook,2002-12-31 Contrary to the oft repeated truism there are churches in America where Sunday is not the most segregated day of the week as Sheryl Kujawa Holbrook convincingly demonstrates in her compelling exploration of congregations tackling racial justice issues Yet the truism continues to haunt many congregations and Kujawa Holbrook reveals through story and thoughtful analysis what it means to create and live out multiracial community Focusing on six congregations from different denominations geographical regions and settings the author shows us the joys and struggles in their intentional pursuits of a more diverse and just community The stories in A House of Prayer for All Peoples will inspire leaders to explore their congregation s history study their community s demographics and most of all search their souls for ways they can develop and celebrate the diversity in their midst The book is capped by an extensive annotated resource list for readers who want to explore the topic further The Best VBS Workbook Ever! Lisa Brown,2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It s a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children s Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network *Jonah's 3 Day Adventures* Angel Thompson,2005-07-02 This is a 3 day Vacation Bible School Program created to meet the needs of a small church on a small budget Even if your budget is small it should not mean that the kids in your community cannot come to a VBS done with excellence where they can learn about God and have fun This 3 Day Adventure has just that The manual has 3 days of skits lessons games and crafts and ideas on how to decorate your sanctuary on a shoe string budget All proceeds go

towards helping our son who has Autism and to our daughter who is an incredible support sibling of her brother

The Invisible Caring Hand Ram Cnaan,2002-08-01 Popular calls to transform our current welfare system and supplant it with effective and inexpensive faith based providers are gaining political support and engendering heated debate about the separation of church and state Yet we lack concrete information from which to anticipate how such initiatives might actually work if adopted Despite the assumption that congregations can help many needy people in our society it remains to be seen how extensive they wish their involvement to be or if they have the necessary tools to become significant providers in the social service arena Moreover how will such practices which will move faith based organizations towards professionalization ultimately affect the spirit of volunteerism now prevalent in America s religious institutions We lack sufficient knowledge about congregational life and its ability to play a key role in social service provision *The Invisible Caring Hand* attempts to fill that void Based on in depth interviews with clergy and lay leaders in 251 congregations nationwide it reveals the many ways in which congregations are already working beneath the radar to care for people in need This ground breaking volume will provide much sought empirical data to social scientists religious studies scholars and those involved in the debates over the role of faith based organizations in faith based services as well as to clergy and congregation members themselves
