Contact, Community, and Connections: Current Approaches to Spanish in Multilingual Populations Gregory L. Thompson, Scott M. Alvord, 2019-09-05 This edited volume provides state of the art research on developing areas of Spanish in contact with other languages This manuscript is unique in its broad yet coherent approach to the study of Spanish in bilingual contexts by investigating current issues in the field through well designed research and innovative analyses In addition this book concludes with research on how languages in contact are reflected in individuals in educational settings as well as insights on how to teach bilinguals raised in contact with English and Spanish This manuscript is divided into three major themes that focus on the overall issues of Spanish in bilingual contexts 1 The first section titled Language and Identity is composed of four chapters that focus on the connection between language and identity in unique settings 2 The second section of the manuscript is titled Language and Dialectal Contact and is composed of six chapters that analyze the dialectal and linguistic changes in languages in contact in a variety of settings 3 The final section is titled Language in Educational Settings and consists of four chapters with a focus on heritage speakers and second language students of Spanish in different classroom settings as well as abroad This volume contributes original research in these areas in a way so as to fill valuable gaps in the current knowledge in the field especially in the innovative ways of approaching areas such as teaching heritage learners understanding diachronic and synchronic dialectal and linguistic changes as well as innovations in language use and how language contributes to the formation of identity

Memories of the Spanish Civil War Ruth Sanz Sabido, 2016-07-25 The Spanish Civil War left a legacy of destruction resentment and deep ideological divisions in a country that was attempting to recover from economic stagnation and social inequality After Franco's victory the repression and purge that ensued immersed Spain in a spiral of fear and silence which continued long after the dictator's death through the pact of oblivion that was observed during the transition to democracy Memories of the Spanish Civil War Conflict and Community in Rural Spain attempts to break this silence by recovering the local memories of survivors of the Civil War and the early years of Franco's dictatorship Combining oral testimony gathered in one Andalusian village with archival research this ethnographic study approaches the expression of memory as an important site of socio political struggle

Bilingualism for All? Nelson Flores, Amelia Tseng, Nicholas Subtirelu, 2020-12-16. It is common for scholarly and mainstream discourses on dual language education in the US to frame these programs as inherently socially transformative and to see their proliferation in recent years as a natural means of developing more anti-racist spaces in public schools. In contrast, this book adopts a raciolinguistic perspective that points to the contradictory role that these programs play in both reproducing and challenging racial hierarchies. The book includes 11 chapters that adopt a range of methodological techniques: qualitative, quantitative, and textual disciplinary perspectives in linguistics, sociology, and anthropology, and language foci in Spanish, Hebrew, and Korean to examine the ways that dual language education programs in the US often reinforce the racial inequities that they purport to challenge.
